## Certificate of Insurance Humana Insurance Company

**Policyholder:**

**Policy Number:**

**Effective Date:**

**Product Name:**

In accordance with the terms of the *policy* issued to the *policyholder*, Humana Insurance Company certifies that a *covered person* is insured for the benefits described in this *certificate*. This *certificate* becomes the Certificate of Insurance and replaces any and all certificates and certificate riders previously issued.

A handwritten signature in black ink that reads "Bruce Broussard".

Bruce Broussard  
President

The insurance *policy* under which this *certificate* is issued is not a policy of Workers' Compensation insurance and does not replace Workers' Compensation insurance. *You* should consult *your employer* to determine whether *your employer* is a subscriber to the Workers' Compensation system.

This is not a policy of Long Term Care insurance.

**This booklet, referred to as a Benefit Plan Document,  
is provided to describe *your* Humana coverage**

---

## UNDERSTANDING YOUR COVERAGE

---

As *you* read the *certificate*, *you* will see some words are printed in italics. Italicized words may have different meanings in the *certificate* than in general. Please check the "Glossary" sections for the meaning of the italicized words as they apply to *your* plan.

The *certificate* gives *you* information about *your* plan. It tells *you* what is covered and what is not covered. It also tells *you* what *you* must do and how much *you* must pay for services. *Your* plan covers many services, but it is important to remember it has limits. Be sure to read *your certificate* carefully before using *your* benefits.

### Covered and non-covered expenses

We will provide coverage for services, equipment and supplies that are *covered expenses*. All requirements of the *policy* apply to *covered expenses*.

The date used on the bill *we* receive for *covered expenses* or the date confirmed in *your* medical records is the date that will be used when *your* claim is processed to determine the benefit period.

*You* must pay the health care provider any amount due that *we* do not pay. Not all services and supplies are a *covered expense*, even when they are ordered by a *health care practitioner*.

Refer to the "Schedule of Benefits," the "Covered Expenses" and the "Limitations and Exclusions" sections and any amendment attached to the *certificate* to see when services or supplies are *covered expenses* or are non-covered expenses.

### How your policy works

We may apply a *copayment* or *deductible* before we pay for certain *covered expenses*. If a *deductible* applies, and it is met, *we* will pay *covered expenses* at the *coinsurance* amount. Refer to the "Schedule of Benefits" to see when a *copayment*, *deductible* and/or *coinsurance* may apply.

The service and diagnostic *information* submitted on the *qualified provider's* bill will be used to determine which provision of the "Schedule of Benefits" applies.

*Covered expenses* are subject to the *maximum allowable fee*. We will apply the applicable *network provider* or *non-network provider* benefit level to the total amount billed by the *qualified provider*, less any amounts such as:

- Those in excess of the negotiated amount by contract, directly or indirectly, between *us* and the *qualified provider*; or
- Those in excess of the *maximum allowable fee*; and

Adjustments related to *our* claims processing procedures. Refer to the "Claims" section of this *certificate* for more information on *our* claims processing procedures.

---

## UNDERSTANDING YOUR COVERAGE (continued)

---

Unless stated otherwise in this *certificate*, you will be responsible to pay:

- The applicable *network provider* or *non-network provider copayment, deductible* and/or *coinsurance*;
- Any amount over the *maximum allowable fee* to a *non-network provider*; and
- Any amount not paid by *us*.

However, *we* will apply the *network provider* benefit level and *you* will only be responsible to pay the *network provider copayment, deductible* and/or *coinsurance*, based on the *qualified payment amount*, for *covered expenses* when *you* receive the following services from a *non-network provider*:

- *Emergency care* and *air ambulance* services;
- *Ancillary services* while *you* are at a *network facility*;
- Services that are not considered *ancillary services* while *you* are at a *network facility*, and *you* do not consent to the *non-network provider* to obtain such services; and
- *Post-stabilization services* when:
  - The attending *qualified provider* determines *you* are not able to travel by non-medical transportation to obtain services from a *network provider*; and
  - *You* do not consent to the *non-network provider* to obtain such services.

Any *copayment, deductible* and/or *coinsurance* *you* pay for services based on the *qualified payment amount* will be applied to the *network provider out-of-pocket limit*.

If an *out-of-pocket limit* applies and it is met, *we* will pay *covered expenses* at 100% the rest of the year, subject to any maximum benefit and all other terms, provisions, limitations, and exclusions of the *policy*.

### Your choice of providers affects your benefits

*We* will pay benefits for *covered expenses* at a higher percentage most of the time if *you* see a *network provider*, so the amount *you* pay will be lower. Be sure to check if *your qualified provider* is a *network provider* before seeing them.

*We* may designate certain *network providers* as preferred providers for specific services. If *you* do not see the *network provider* designated by *us* as a preferred provider for these services, *we* may pay less.

Unless stated otherwise in this *certificate*, *we* will pay a lower percentage if *you* see a *non-network provider*, so the amount *you* pay will be higher. *Non-network providers* have not signed an agreement with *us* for lower costs for services and they may bill *you* for any amount over the *maximum allowable fee*. If the *non-network provider* bills *you* any amount over the *maximum allowable fee*, *you* will have to pay that amount and any *copayment, deductible* and *coinsurance* to the *non-network provider*. Any amount *you* pay over the *maximum allowable fee* will not apply to *your deductible* or any *out-of-pocket limit*.

Some *non-network providers* work with *network facilities*. If possible, *you* may want to check if all health care providers working with *network facilities* are *network providers*.

---

## UNDERSTANDING YOUR COVERAGE (continued)

---

We will apply the *network provider* benefit level and you will only be responsible to pay the *network provider copayment, deductible and/or coinsurance*, based on the *qualified payment amount*, for *covered expenses* when you receive the following services from a *non-network provider*:

- *Ancillary services* when you are at a *network facility*;
- Services that are not considered *ancillary services* when you are at a *network facility*, and you do not consent to the *non-network provider* to obtain such services; and
- *Post-stabilization services* when:
  - The attending *qualified provider* determines you are not able to travel by non-medical transportation to obtain services from a *network provider*; and
  - You do not consent to the *non-network provider* to obtain such services.

For all other services you receive from a *non-network provider*, you will be responsible to pay the *non-network provider copayment, deductible and/or coinsurance*, and you may also be responsible to pay any amount over the *maximum allowable fee for covered expenses* including:

- Services that are not considered *ancillary services* when you are at a *network facility* and you consent to the *non-network provider* to obtain such services; and
- *Post-stabilization services* when:
  - The attending *qualified provider* determines you are able to travel by non-medical transportation to obtain services from a *network provider*; and
  - You consent to the *non-network provider* to obtain such services.

Refer to the "Schedule of Benefits" sections to see what your *network provider* and *non-network provider* benefits are.

### How to find a network provider

You may find a list of *network providers* at [www.humana.com](http://www.humana.com). This list is subject to change. Please check this list before receiving services from a *qualified provider*. You may also call our customer service department at the number listed on your ID card to determine if a *qualified provider* is a *network provider*, or we can send the list to you. A *network provider* can only be confirmed by us.

### How to use your preferred provider organization (PPO) plan

You may receive services from a *network provider* or a *non-network provider* without a referral. Refer to the "Schedule of Benefits" for any *preauthorization* requirements.

## UNDERSTANDING YOUR COVERAGE (continued)

### Continuity of care

You may be eligible to elect continuity of care if you are a continuing care patient as of the date any of the following events occur:

- Your *qualified provider* terminates as a *network provider*;
- The terms of a *network provider's* participation in the network changes in a manner that terminates a benefit for a service you are receiving as a continuing care patient; or
- The *policy* terminates.

You must be in a course of treatment with the *qualified provider* as a continuing care patient the day before you are eligible to elect continuity of care.

If you elect continuity of care, we will apply the *network provider* benefit level to covered expenses related to your treatment as a continuing care patient. You will be responsible for the *network provider* copayment, deductible and/or coinsurance until the earlier of:

- 90 days from the date we notify you the *qualified provider* is no longer a *network provider*;
- 90 days from the date we notify you the terms of a *network provider's* participation in the network changes in a manner that terminates a benefit for a service you are receiving as a continuing care patient;
- 90 days from the date we notify you this *policy* terminates; or
- The date you are no longer a continuing care patient.

For the purposes of this "Continuity of care" provision, continuing care patient means at the time continuity of care becomes available, you are undergoing treatment from the *network provider* for:

- An acute *sickness* or *bodily injury* that is serious enough to require specialized medical treatment to avoid the reasonable possibility of death or permanent harm;
- A chronic *sickness* or *bodily injury* that is a life-threatening condition, degenerative, potentially disabling, or is a *congenital anomaly* and requires specialized medical care over a prolonged period of time;
- *Inpatient* care;
- A scheduled non-elective *surgery* and any related post-surgical care;
- A pregnancy; or
- A terminal illness.

For the purposes of this "Continuity of Care" provision, a terminal illness means you have a medical prognosis with a life expectancy of 6 months or less.

---

## UNDERSTANDING YOUR COVERAGE (continued)

---

Continuity of care is not available if:

- The *qualified provider's* participation in *our* network is terminated due to failure to meet applicable quality standards or fraud;
- *You* transition to another *qualified provider*;
- The services *you* receive are not related to *your* treatment as a continuing care patient;
- This "Continuity of Care" provision is exhausted; or
- *Your* coverage terminates, however the *policy* remains in effect.

All terms and provisions of the *policy* are applicable to this "Continuity of Care" provision.

### Seeking emergency care

If *you* need *emergency care*, go to the nearest emergency facility.

*You*, or someone on *your* behalf, must call *us* within 48 hours after *your admission* to a *hospital* for an *emergency medical condition*. If *your* condition does not allow *you* to call *us* within 48 hours after *your admission*, contact *us* as soon as *your* condition allows.

### Seeking urgent care

If *you* need *urgent care*, go to the nearest *urgent care center* or call an *urgent care qualified provider*. *You* must receive *urgent care* services from a *network provider* for the *network provider copayment, deductible* or *coinsurance* to apply.

### Our relationship with qualified providers

*Qualified providers* are not *our* agents, employees or partners. All providers are independent contractors. *Qualified providers* make their own clinical judgments or give their own treatment advice without coverage decisions *made by us*.

The *policy* will not change what is decided between *you* and *qualified providers* regarding *your* medical condition or treatment options. *Qualified providers* act on *your* behalf when they order services. *You* and *your qualified providers* make all decisions about *your* health care, no matter what *we* cover. *We* are not responsible for anything said or written by a *qualified provider* about *covered expenses* and/or what is not covered under this *certificate*. Call *our* customer service department at the telephone number listed on *your* ID card if *you* have any questions.

### Our financial arrangements with network providers

*We* have agreements with *network providers* that may have different payment arrangements:

- Many *network providers* are paid on a discounted fee-for-services basis. This means they have agreed to be paid a set amount for each *covered expense*;

---

## UNDERSTANDING YOUR COVERAGE (continued)

---

- Some *network providers* may have capitation agreements. This means the *network provider* is paid a set dollar amount each month to care for each *covered person* no matter how many services a *covered person* may receive from the *network provider*, such as a primary care physician or a specialist;
- *Hospitals* may be paid on a Diagnosis Related Group (DRG) basis or a flat fee per day basis for *inpatient* services. *Outpatient* services are usually paid on a flat fee per service or procedure or a discount from their normal charges.

### The certificate

The *certificate* is part of the insurance *policy* and tells *you* what is covered and not covered, and the requirements of the *policy*. Nothing in the *certificate* takes the place of or changes any of the terms of the *policy*. The final interpretation of any provision in the *certificate* is governed by the *policy*. If the *certificate* is different than the *policy*, the provisions of the *policy* will apply. The benefits in the *certificate* apply if *you* are a *covered person*.

---

Relative Value Scale means a methodology that values procedures and services relative to each other that includes, but is not limited to, a scale in terms of difficulty, work, risk, as well as the material and outside costs of providing the service, as adjusted to the geographic area where the services or procedures were performed;

### Restrictions on choice of providers

If we determine you are using *prescription* drugs in a potentially abusive, excessive, or harmful manner, we may restrict your coverage of *pharmacy* services in one or more of the following ways:

- By restricting your choice of *pharmacy* to a single *network pharmacy* store or physical location for *pharmacy* services;
- By restricting your choice of *pharmacy* for covered *specialty pharmacy* services to a specific *specialty pharmacy*, if the *network pharmacy* store or physical location for *pharmacy* services is unable to provide or is not contracted with us to provide covered *specialty pharmacy* services; and
- By restricting your choice of a prescribing *network health care practitioner* to a specific *network health care practitioner*.

We will determine if we will allow you to change a selected *network provider*. Only *prescriptions* obtained from the *network pharmacy* store or physical location or *specialty pharmacy* to which you have been restricted will be eligible to be considered *covered expenses*. Additionally, only *prescriptions* prescribed by the *network health care practitioner* to whom you have been restricted will be eligible to be considered *covered expenses*.

### About our drug list

*Prescription* drugs, medicines or medications, including *specialty drugs* and *self-administered injectable drugs* prescribed by *health care practitioners* and covered by us are specified on our printable *drug list*. The *drug list* identifies categories of drugs, medicines or medications by levels and indicates *dispensing limits*, *specialty drug* designation, any applicable *prior authorization* and/or *step therapy* requirements. This information is reviewed on a regular basis by a Pharmacy and Therapeutics committee made up of physicians and *pharmacists*. Placement on the *drug list* does not guarantee your *health care practitioner* will prescribe that *prescription* drug, medicine or medication for a particular medical condition. You can obtain a copy of our *drug list* by visiting our website at Humana.com or calling the customer service telephone number on your ID card.

### Prescription drug assistance program

The *prescription drug* assistance program, which may be administered by a third party, is available to provide direct support toward the cost of certain *prescriptions* and *specialty drugs*. If you are prescribed a drug or *specialty drug* that is part of the prescription drug assistance program, you will be contacted to enroll in the program. Your *copayment* and/or *coinsurance* may vary depending on the direct support, if any, available for the *prescription* or *specialty drug*.

### Access to medically necessary contraceptives

In addition to *preventive services*, contraceptives on *our drug list* and non-formulary contraceptives may be covered at no *cost share* when *your health care practitioner* contacts *us*. We will defer to the *health care practitioner's* recommendation that a particular method of contraception or FDA-approved contraceptive is determined to be *medically necessary*. The *medically necessary* determination made by *your health care practitioner* may include severity of side effects, differences in permanence and reversibility of contraceptives, and ability to adhere to the appropriate use of the contraceptive item or service.

### Access to non-formulary drugs

A drug not included on *our drug list* is a non-formulary drug. If a *health care practitioner* prescribes a clinically appropriate non-formulary drug, *you* can request coverage of the non-formulary drug through a standard exception request or an expedited exception request. If *you* are dissatisfied with *our* decision of an exception request, *you* have the right to an external review as described in the "Non-formulary drug exception request external review" provision of this section.

### Non-formulary drug standard exception request

A standard exception request for coverage of a clinically appropriate non-formulary drug may be initiated by *you*, *your* appointed representative, or the prescribing *health care practitioner* by calling the customer service number on *your* ID card, in writing, or *electronically* by visiting *our* website at [Humana.com](http://Humana.com). We will respond to a standard exception request no later than 72 hours after the receipt date of the request.

As part of the standard exception request, the prescribing *health care practitioner* should include an oral or written statement that provides justification to support the need for the prescribed non-formulary drug to treat the *covered person's* condition, including a statement that all covered drugs on the *drug list* on any tier:

- Will be or have been ineffective;
- Would not be as effective as the non-formulary drug; or
- Would have adverse effects.

If we grant a standard exception request to cover a prescribed, clinically appropriate non-formulary drug, we will cover the prescribed non-formulary drug for the duration of the *prescription*, including refills. Any applicable *cost share* for the *prescription* will apply toward the *out-of-pocket limit*.

If we deny a standard exception request, *you* have the right to an external review as described in the "Non-formulary drug exception request external review" provision of this section.

### Non-formulary drug expedited exception request

An expedited exception request for coverage of a clinically appropriate non-formulary drug based on exigent circumstances may be initiated by *you*, *your* appointed representative, or *your* prescribing *health care practitioner* by calling the customer service number on *your* ID card, in writing, or *electronically* by visiting *our* website at [Humana.com](https://www.humana.com). *We* will respond to an expedited exception request within 24 hours of receipt of the request. An exigent circumstance exists when a *covered person* is:

- Suffering from a health condition that may seriously jeopardize their life, health, or ability to regain maximum function; or
- Undergoing a current course of treatment using a non-formulary drug.

As part of the expedited review request, the prescribing *health care practitioner* should include an oral or written:

- Statement that an exigent circumstance exists and explain the harm that could reasonably be expected to the *covered person* if the requested non-formulary drug is not provided within the timeframes of the standard exception request; and
- Justification supporting the need for the prescribed non-formulary drug to treat the *covered person's* condition, including a statement that all covered drugs on the *drug list* on any tier:
  - Will be or have been ineffective;
  - Would not be as effective as the non-formulary drug; or
  - Would have adverse effects.

If *we* grant an expedited exception request to cover a prescribed, clinically appropriate non-formulary drug based on exigent circumstances, *we* will provide access to the prescribed non-formulary drug:

- Without unreasonable delay; and
- For the duration of the exigent circumstance.

Any applicable *cost share* for the *prescription* will apply toward the *out-of-pocket limit*.

If *we* deny an expedited exception request, *you* have the right to an external review as described in the "Non-formulary drug exception request external review" provision of this section.

### Non-formulary drug exception request external review

*You*, *your* appointed representative, or *your* prescribing *health care practitioner* have the right to an external review by an independent review organization if *we* deny a non-formulary drug standard or expedited exception request. To request an external review, refer to the exception request decision letter for instructions or call the customer service number on *your* ID card for assistance.

---

## COVERED EXPENSES - PHARMACY SERVICES (continued)

The final external review decision by the independent review organization to either uphold the denied exception request or grant the exception request will be provided orally or in writing to *you*, *your* appointed representative, or the prescribing *health care practitioner* no later than:

- 24 hours after receipt of an external review request if the original exception request was expedited.
- 72 hours after receipt of an external review request if the original exception request was standard.

If the independent review organization grants the exception request, *we* will cover the prescribed, clinically appropriate non-formulary drug for *you* for:

- The duration of the *prescription*, including refills, when the original request was a standard exception request.
- The duration of the exigent circumstance when the original request was an expedited exception request.

Any applicable *cost share* for the *prescription* will apply toward the *out-of-pocket limit*.

### Step therapy exception request

*Your health care practitioner* may submit to *us* a written *step therapy* exception request for a clinically appropriate *prescription* drug. The *health care practitioner* should use the *prior authorization* form on *our* website at Humana.com or call the customer service telephone number on *your* ID card.

From the time a *step therapy* exception request is received by *us*, *we* will either approve or deny the request within:

- 24 hours for an expedited request.
- 72 hours for a standard request.

A written *step therapy* exception request will be approved when the request includes the prescribing *health care practitioner's* written statement and supporting documentation that:

- Based on sound clinical evidence or medical and scientific evidence, the *prescription* drug requiring *step therapy*;
  - Is contraindicated;
  - Will likely cause an adverse reaction in or physical or mental harm to *you*;
  - Is expected to be ineffective based on *your* known clinical characteristics and the known characteristics of the *prescription* drug regimen;
- *You* previously discontinued taking the *prescription* drug requiring *step therapy*, or another *prescription* drug in the same pharmacologic class or with the same mechanism of action as the required drug, while under the health benefit plan currently in force or while covered under another health benefit plan, because the *prescription* drug was not effective or had a diminished effect, or because of an adverse event; or

---

## COVERED EXPENSES - PHARMACY SERVICES (continued)

---

- The *prescription* drug requiring *step therapy* is not in *your* best interest, based on clinical appropriateness, because use of the drug is expected to:
  - Cause a significant barrier to *your* adherence to or compliance with *your* plan of care;
  - Worsen a comorbid condition; or
  - Decrease *your* ability to achieve or maintain reasonable functional ability in performing daily activities.

If we deny a *step therapy* exception request, we will provide *you* or *your* appointed representative, and *your* prescribing *health care practitioner*:

- The reason for the denial;
- An alternative covered medication; and
- The right to appeal *our* decision as described in the "Grievance Procedures" section of this *certificate*.

### Eligibility date

#### Employee eligibility date

The *employee* is eligible for coverage on the date:

- The eligibility requirements are satisfied as stated in the Employer Group Application or as otherwise agreed to by the *policyholder* and *us*; and
- The *employee* is in an *active status*.

#### Dependent eligibility date

Each *dependent* is eligible for coverage on:

- The date the *employee* is eligible for coverage, if he or she has *dependents* who may be covered on that date;
- The date of the *employee's* marriage for any *dependents* (spouse or child) acquired on that date;
- The date of birth of the *employee's* natural-born child;
- The date of placement of the child for the purpose of adoption by the *employee*; or the date of the entry of an order granting the *employee* custody of a child for purposes of adoption by the *employee*, whichever occurs first; or
- The date specified in a Qualified Medical Child Support Order (QMCSO) or National Medical Support Notice (NMSN) for a child, or a valid court or administrative order for a spouse, which requires the *employee* to provide coverage for a child or spouse as specified in such orders.

The *employee* may cover his or her *dependents* only if the *employee* is also covered.

### Enrollment

*Employees* and *dependents* eligible for coverage under the *policy* may enroll for coverage as specified in the enrollment provisions outlined below.

#### Employee enrollment

The *employee* must enroll, as agreed to by the *policyholder* and *us*, within 31 days of the *employee's* *eligibility date* or within the time period specified in the "Special enrollment" provision.

The *employee* is a *late applicant* if enrollment is requested more than 31 days after the *employee's* *eligibility date* or later than the time period specified in the "Special enrollment" provision. A *late applicant* must wait to enroll for coverage during the *open enrollment period*, unless the *late applicant* becomes eligible for special enrollment as specified in the "Special enrollment" provision.

---

## ELIGIBILITY AND EFFECTIVE DATES (continued)

---

Health status will not be used to determine premium rates. We will not use *health status-related factors* including genetic testing, to decline coverage to an eligible *employee* and we will administer this provision in a non-discriminatory manner.

### Dependent enrollment

If electing *dependent* coverage, the *employee* must enroll eligible *dependents*, as agreed to by the *policyholder* and *us*, within 31 days of the *dependent's eligibility date* or within the time period specified in the "Special enrollment" provision.

The *dependent* is a *late applicant* if enrollment is requested more than 31 days after the *dependent's eligibility date* or later than the time period specified in the "Special enrollment" provision. A *late applicant* must wait to enroll for coverage during the *open enrollment period*, unless the *late applicant* becomes eligible for special enrollment as specified in the "Special enrollment" provision.

Health status will not be used to determine premium rates. We will not use *health status-related factors* to decline coverage to an eligible *dependent* and we will administer this provision in a non-discriminatory manner.

### Newborn and adopted dependent enrollment

A newborn *dependent* will be automatically covered from the date of birth to 31 days of age. An adopted *dependent* will be automatically covered from the date of adoption or placement of the child with the *employee* for the purpose of adoption, whichever occurs first, for 31 days.

If additional premium is not required to add additional *dependents* and if *dependent* child coverage is in force as of the newborn's date of birth in the case of newborn *dependents*, or the earlier of the date of adoption or placement of the child with the *employee* for purposes of adoption in case of adopted *dependents*, coverage will continue beyond the initial 31 days. You must notify *us* to make sure we have accurate records to administer benefits.

If premium is required to add *dependents* you must enroll the *dependent* child and pay the additional premium within 31 days:

- Of the newborn's date of birth; or
- Of the date of adoption or placement of the child with the *employee* for the purpose of adoption to add the child to *your* plan, whichever occurs first.

If enrollment is requested more than 31 days after the date of birth, date of adoption or placement with the *employee* for the purpose of adoption, and additional premium is required, the *dependent* is a *late applicant*. The *dependent's* coverage will end after 31 days. A *late applicant* must wait to enroll for coverage during the *open enrollment period*, unless the *late applicant* becomes eligible for special enrollment as specified in the "Special enrollment" provision.

- You are an *employee* or *dependent* eligible for coverage under the *policy*, and:
  - Your *Medicaid* coverage or your Children's Health Insurance Program (CHIP) coverage terminated as a result of loss of eligibility; and
  - You enroll within 60 days after the *special enrollment date*; or

The *employee* or *dependent* is a *late applicant* if enrollment is requested later than the time period specified above. A *late applicant* must wait to enroll for coverage during the *open enrollment period*.

### Dependent special enrollment

The *dependent* special enrollment is the time period specified in the "Special enrollment" provision.

If *dependent* coverage is available under the *employer's policy* or added to the *policy*, an *employee* who is a *covered person* can enroll eligible *dependents* during the special enrollment. An *employee*, who is otherwise eligible for coverage and had waived coverage under the *policy* when eligible, can enroll himself/herself and eligible *dependents* during the special enrollment.

The *employee* or *dependent* is a *late applicant* if enrollment is requested later than the time period specified above. A *late applicant* must wait to enroll for coverage during the *open enrollment period*.

### Open enrollment

Eligible *employees* or *dependents*, who do not enroll for coverage under the *policy* following their *eligibility date* or *special enrollment date*, have an opportunity to enroll for coverage during the *open enrollment period*. The *open enrollment period* is also the opportunity for *late applicants* to enroll for coverage.

Eligible *employees* or *dependents*, including *late applicants*, must request enrollment during the *open enrollment period*. If enrollment is requested after the *open enrollment period*, the *employee* or *dependent* must wait to enroll for coverage during the next *open enrollment period*, unless they become eligible for special enrollment as specified in the "Special enrollment" provision.

### Effective date

The provisions below specify the *effective date* of coverage for *employees* or *dependents*, if enrollment is requested within 31 days of their *eligibility date* or within the time period specified in the "Special enrollment" provision. If enrollment is requested during an *open enrollment period*, the *effective date* of coverage is specified in the "Open enrollment effective date" provision.

---

## ELIGIBILITY AND EFFECTIVE DATES (continued)

---

### Employee effective date

The *employee's effective date* provision is stated in the Employer Group Application. The *employee's effective date* of coverage may be the date immediately following completion of the *waiting period* or the first of the month following completion of the *waiting period*, if enrollment is requested within 31 days of the *employee's eligibility date*. The *special enrollment date* is the *effective date* of coverage for an *employee* who requests enrollment within the time period specified in the "Special enrollment" provision. The *employee effective dates* specified in this provision apply to an *employee* who is not a *late applicant*.

### Dependent effective date

The *dependent's effective date* is the date the *dependent* is eligible for coverage if enrollment is requested within 31 days of the *dependent's eligibility date*. The *special enrollment date* is the *effective date* of coverage for the *dependent* who requests enrollment within the time period specified in the "Special enrollment" provision. The *dependent effective dates* specified in this provision apply to a *dependent* who is not a *late applicant*.

In no event will the *dependent's effective date* of coverage be prior to the *employee's effective date* of coverage.

### Newborn and adopted dependent effective date

The *effective date* of coverage for a newborn *dependent* is the date of birth if the newborn is not a *late applicant*.

The *effective date* of coverage for an adopted *dependent* is the date of adoption or the date of placement with the *employee* for the purpose of adoption, whichever occurs first, if the *dependent* child is not a *late applicant*.

Premium is due for any period of *dependent* coverage whether or not the *dependent* is subsequently enrolled, unless specifically not allowed by applicable law. Additional premium may not be required when *dependent* coverage is already in force.

### Open enrollment effective date

The *effective date* of coverage for an *employee* or *dependent*, including a *late applicant*, who requests enrollment during an *open enrollment period*, is the first day of the *policy* year as agreed to by the *policyholder* and us.

---

## ELIGIBILITY AND EFFECTIVE DATES (continued)

---

### Retired employee coverage

#### Retired employee eligibility date

Retired *employees* are an eligible class of *employees* if requested on the Employer Group Application and if approved by *us*. An *employee*, who retires while insured under the *policy* is considered eligible for retired *employee* medical coverage on the date of retirement if the eligibility requirements stated in the Employer Group Application are satisfied.

#### Retired employee enrollment

The *employer* must notify *us* of the *employee's* retirement within 31 days of the date of retirement. If *we* are notified more than 31 days after the date of retirement, the retired *employee* is a *late applicant*. A *late applicant* must wait to enroll for coverage during the *open enrollment period*, unless the *late applicant* becomes eligible for special enrollment as specified in the "Special enrollment" provision.

#### Retired employee effective date

The *effective date* of coverage for an eligible retired *employee* is the date of retirement for an *employee* who retires after the date *we* approve the *employer's* request for a retiree classification, provided *we* are notified within 31 days of the retirement. If *we* are notified more than 31 days after the date of retirement, the *effective date* of coverage for the *late applicant* is the date *we* specify.

---

## REPLACEMENT OF COVERAGE

---

### Applicability

This "Replacement of Coverage" section applies when an *employer's* previous group health plan not offered by *us* or *our* affiliates (Prior Plan) is terminated and replaced by coverage under the *policy* and:

- You were covered under the *employer's* Prior Plan on the day before the effective date of the *policy*; and
- You are insured for medical coverage on the effective date of the *policy*.

Benefits available for *covered expense* under the *policy* will be reduced by any benefits payable by the Prior Plan during an extension period.

### Deductible credit

Medical expense incurred while *you* were covered under the Prior Plan may be used to satisfy your *network provider deductible* under the *policy* if the medical expense was:

- Incurred in the same calendar year the *policy* first becomes effective; and
- Applied to the network deductible amount under the Prior Plan.

### Waiting period credit

If the *employee* had not completed the initial *waiting period* under the *policyholder's* Prior Plan on the day that it ended, any period of time that the *employee* satisfied will be applied to the appropriate *waiting period* under the *policy*, if any. The *employee* will then be eligible for coverage under the *policy* when the balance of the *waiting period* has been satisfied.

### Out-of-pocket limit

Any medical expense amount applied to the Prior Plan's *network out-of-pocket limit* or stop-loss limit will be credited to your *network provider out-of-pocket limit* under the *policy* if the medical expense was incurred in the same calendar year the *policy* first becomes effective.

## TERMINATION PROVISIONS

---

### Termination of insurance

The date of termination, as described in this "Termination Provisions" section, may be the actual date specified or the end of that month, as selected by *your employer* on the Employer Group Application (EGA).

*You and your employer* must notify *us* as soon as possible if *you* or *your dependent* no longer meets the eligibility requirements of the *policy*. Notice must be provided to *us* within 31 days of the change.

When *we* receive notification of a change in eligibility status in advance of the effective date of the change, insurance will terminate on the actual date specified by the *employer* or *employee* or at the end of that month, as selected by *your employer* on the EGA.

When *we* receive the *employer's* request to terminate coverage retroactively, the *employer's* termination request is their representation to *us* that *you* did not pay any premium or make contribution for coverage past the requested termination date.

Otherwise, insurance terminates on the earliest of the following:

- The date the *group policy* terminates;
- The end of the period for which required premium was paid to *us*;
- The date the *employee* terminated employment with the *employer*;
- The date the *employee* is no longer qualified as an *employee*;
- The date *you* fail to be in an eligible class of persons as stated in the EGA;
- The date the *employee* entered full-time military, naval or air service;
- The date the *employee* retired, except if the EGA provides coverage for a retiree class of *employees* and the retiree is in an eligible class of retirees, selected by the *employer*;
- The date of an *employee* request for termination of insurance for the *employee* or *dependents*;
- For a *dependent*, the date the *employee's* insurance terminates;
- For a *dependent*, the date the *employee* ceases to be in a class of *employees* eligible for *dependent* insurance;
- The date *your dependent* no longer qualifies as a *dependent*;
- For any benefit, the date the benefit is deleted from the *policy*; or
- The date fraud or an intentional misrepresentation of a material fact has been committed by *you*. For more information on fraud and intentional misrepresentation, refer to the "Fraud" provision in the "Miscellaneous Provisions" section of this *certificate*.

---

## TERMINATION PROVISIONS (continued)

---

### Termination for cause

We will terminate your coverage for cause under the following circumstances:

- If *you* allow an unauthorized person to use *your* identification card or if *you* use the identification card of another *covered person*. Under these circumstances, the person who receives the services provided by use of the identification card will be responsible for paying *us* any amount *we* paid for those services.
- If *you* or the *policyholder* perpetrate fraud or intentional misrepresentation on claims, identification cards or other identification in order to obtain services or a higher level of benefits. This includes, but is not limited to, the fabrication or alteration of a claim, identification card or other identification.

## MEDICAL CONVERSION PRIVILEGE

---

### Medical conversion policy

If *you* are eligible for COBRA, coverage must be exhausted before *you* are eligible for a conversion plan.

The Medical Conversion Policy which *you* may apply for will be the Medical Conversion Policy customarily offered by *us* as a conversion from *group* coverage, or as mandated by Indiana law.

The Medical Conversion Policy is a new policy and not a continuation of *your* terminated *group* coverage. The Medical Conversion Policy benefits will differ from those provided under *your group* coverage. The benefits that may be available to *you* will be described in an Outline of Coverage provided to *you* when *you* request an application for conversion from *us*.

Only persons covered under the *policy* on the date coverage terminates are eligible for coverage under the Medical Conversion Policy.

### Eligibility

Subject to the terms below, if *your* medical coverage under the *policy* terminates, a Medical Conversion Policy is available without medical examination. *You* must have been continuously covered under the *policy* or any group health plan it replaced for at least 90-days, *you* are not eligible for continuation coverage under federal COBRA, and:

- *Your* coverage ends because the *employee's* employment terminated;
- *Your* coverage ended due to reduction of hours worked;
- *You* are a covered *dependent* whose coverage ends due to the *employee's* marriage ending via legal annulment, dissolution of marriage or divorce;
- *You* are the surviving covered *dependent*, in the event of the *employee's* death or at the end of any survivorship continuation as provided by the *policy*; or
- *You* have been a covered *dependent* child but no longer meet the definition of *dependent* under the *policy*; and
- *Your* coverage under the *policy* is not terminated because of fraud or material intentional misrepresentation.

We will not issue a medical conversion plan if:

- *Your employer's* participation in the *policy* terminated and medical coverage was replaced within 31 days by another group coverage plan;
- *You* are eligible for continuation coverage under federal COBRA;
- *You* are not a legal resident of Indiana;
- *You* are or could be covered by *Medicare*; or
- *You* are or could be covered by other group coverage (insured or uninsured) or, *you* are covered by substantially similar benefits by a HMO, individual hospital, surgical or medical expense insurance policy.

---

## MEDICAL CONVERSION PRIVILEGE (continued)

---

Coverage through the Health Insurance Marketplace may be available in lieu of a conversion plan. *You* may choose to enroll in any health plan from any health insurance company or HMO that participates in the Health Insurance Marketplace. *You* can compare plan options based on quality and cost and *you* may be eligible for financial assistance. Please go to [healthcare.gov](http://healthcare.gov) for more information.

***You may be eligible for the Healthy Indiana Plan*** if *you* are an Indiana resident between ages 19 to 64. Visit the Indiana Department of Insurance website at: <http://www.in.gov/fssa/hip/> or contact 1-877-GET-HIP9 (1-877-438-4479) for additional information.

### Effective date and premium

*You* have 30 days after the date *your* coverage terminates under the *policy* to apply for coverage and pay the required premium for *your* Medical Conversion Policy. The premium must be paid in advance. *You* may obtain application forms from *us* via the internet or by request in writing. The Medical Conversion Policy will be effective on the day after *your group* medical coverage ends, if *you* enroll and pay the first premium within 30 days of eligibility.

If the benefit limits of the Medical Conversion Policy are not more than the benefit limits of the *policy*, any *deductibles*, *coinsurance*, or *out-of-pocket maximums* satisfied under this *certificate* will be applied to the Medical Conversion Policy for the applicable plan year.

The premium for the Medical Conversion Policy will be the premium charged by *us* as of *your* effective date.

## COORDINATION OF BENEFITS

---

This "Coordination of Benefits" (COB) provision applies when a person has health care coverage under more than one *plan*. The order of benefit determination rules below determine which *plan* will pay as the *primary plan*. The *primary plan* pays first without regard to the possibility another *plan* may cover some expenses. A *secondary plan* pays after the *primary plan* and may reduce the benefits it pays so that payments from all *plans* do not exceed 100% of the total *allowable expense*.

### Definitions

The following definitions are used exclusively in this provision.

**Plan** means any of the following that provide benefits or services for medical or dental care or treatment. However, if separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered part of the same *plan* and there is no COB among those separate contracts.

*Plan* includes:

- Group insurance contracts, health maintenance organization (HMO) contracts, closed panel or other forms of group or group-type coverage (whether insured or uninsured);
- Medical care components of long-term care contracts, such as skilled nursing care;
- Medical benefits under group or individual automobile contracts, including "No Fault" and traditional automobile "fault"; and
- *Medicare* or other governmental benefits, as permitted by law.

*Plan* does not include:

- Individual or family insurance;
- Closed panel or other individual coverage (except for group-type coverage);
- Hospital indemnity benefits or other fixed indemnity coverage;
- Accident only, credit, dental only, vision only, disability income insurance;
- Specified disease or specified accident coverage;
- School accident type coverage;
- Benefits for non-medical care components of group long-term care contracts;
- Medicare supplement policies;
- A state plan under *Medicaid*; and
- Coverage under other governmental plans, unless permitted by law.

Each contract for coverage is a separate *plan*. If a *plan* has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate *plan*.

Notwithstanding any statement to the contrary, for the purposes of COB, prescription drug coverage under this *plan* will be considered a separate *plan* and will therefore only be coordinated with other prescription drug coverage.

**Primary/secondary** means the order of benefit determination stating whether this *plan* is *primary* or *secondary* covering the person when compared to another *plan* also covering the person.

---

## COORDINATION OF BENEFITS (continued)

---

When this *plan* is *primary*, its benefits are determined before those of any other *plan* and without considering any other *plan's* benefits. When this *plan* is *secondary*, its benefits are determined after those of another *plan* and may be reduced because of the *primary plan's* benefits.

**Allowable expense** means a health care service or expense, including deductibles, if any, and copayments, that is covered at least in part by any of the *plans* covering the person. When a *plan* provides benefits in the form of services (e.g. an HMO), the reasonable cash value of each service will be considered an *allowable expense* and a benefit paid. An expense or service that is not covered by any of the *plans* is not an *allowable expense*. The following are examples of expenses or services that are not *allowable expenses*:

- If a *covered person* is confined in a private *hospital* room, the difference between the cost of a semi-private room in the *hospital* and the private room, (unless the patient's stay in a private *hospital* room is medically necessary in terms of generally accepted medical practice, or one of the *plans* routinely provides coverage for *hospital* private rooms) is not an *allowable expense*.
- If a person is covered by two or more *plans* that compute their benefits payments on the basis of usual and customary fees, any amount in excess of the highest usual and customary fees for a specific benefit is not an *allowable expense*.
- If a person is covered by two or more *plans* that provide benefits or services on the basis of negotiated fees, any amount in excess of the highest of the fees is not an *allowable expense*.
- If a person is covered by one *plan* that calculates its benefits or services on the basis of usual and customary fees and another *plan* that provides its benefits or services on the basis of negotiated fees, the *primary plan's* payment arrangement shall be the *allowable expense* for all *plans*.
- The amount a benefit is reduced by the *primary plan* because a *covered person* does not comply with the *plan* provisions. Examples of these provisions are second surgical opinions, precertification of *admissions* and preferred provider arrangements.

**Claim determination period** means a calendar year. However, it does not include any part of a year during which a person has no coverage under this *plan*, or before the date this COB provision or a similar provision takes effect.

**Closed panel plan** is a *plan* that provides health benefits to covered persons primarily in the form of services through a panel of providers that has contracted with or are employed by the *plan*, and that limits or excludes benefits for services provided by other providers, except in the cases of emergency or referral by a panel member.

**Custodial parent** means a parent awarded custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than one-half of the calendar year without regard to any temporary visitation.

---

## COORDINATION OF BENEFITS (continued)

---

### Order of determination rules

#### General

When two or more *plans* pay benefits, the rules for determining the order of payment are as follows:

- The *primary plan* pays or provides its benefits as if the *secondary plan* or *plans* did not exist.
- A *plan* that does not contain a COB provision that is consistent with applicable promulgated regulation is always *primary*. There is one exception: coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits may provide that the supplementary coverage shall be excess to any other parts of the *plan* provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base *plan* hospital and surgical benefits, and insurance type coverages that are written in connection with a *closed panel plan* to provide out-of-network benefits.
- A *plan* may consider the benefits paid or provided by another *plan* in determining its benefits only when it is *secondary* to that other *plan*.

#### Rules

The first of the following rules that describes which *plan* pays its benefits before another *plan* is the rule to use.

- **Non-dependent or dependent.** The *plan* that covers the person other than as a *dependent*, for example as an *employee*, member, subscriber or retiree is *primary* and the *plan* that covers the person as a *dependent* is *secondary*. However, if the person is a *Medicare* beneficiary and, as a result of federal law, *Medicare* is *secondary* to the *plan* covering the person as a *dependent*; and *primary* to the *plan* covering the person as other than a *dependent* (e.g. retired *employee*); then the order of benefits between the two *plans* is reversed so that the *plan* covering the person as an *employee*, member, subscriber or retiree is *secondary* and the other *plan* is *primary*.
- **Dependent child covered under more than one plan.** The order of benefits when a child is covered by more than one *plan* is:
  - The *primary plan* is the *plan* of the parent whose birthday is earlier in the year if:
    - The parents are married;
    - The parents are not separated (whether or not they have been married); or
    - A court decree awards joint custody without specifying that one parent has the responsibility to provide health care coverage.
  - If both the parents have the same birthday, the *plan* that covered either of the parents longer is *primary*.

---

## COORDINATION OF BENEFITS (continued)

---

- If the specific terms of a court decree state that one parent is responsible for the child's health care expenses or health care coverage and the *plan* of that parent has actual knowledge of those terms, that *plan* is *primary*. This rule applies to *claim determination periods* or plan years commencing after the *plan* is given notice of the court decree.
- If the parents are not married, or are separated (whether or not they ever have been married) or are divorced, the order of benefits is:
  - The *plan* of the *custodial parent*;
  - The *plan* of the spouse of the *custodial parent*;
  - The *plan* of the *non-custodial parent*; and then
  - The *plan* of the spouse of the *non-custodial parent*.
- **Active or inactive employee.** The *plan* that covers a person as an *employee*, who is neither laid off nor retired, is *primary*. The same would hold true if a person is a *dependent* of a person covered as a retiree and an *employee*. If the other *plan* does not have this rule, and if, as a result, the *plans* do not agree on the order of benefits, this rule is ignored.
- **Continuation coverage.** If a person whose coverage is provided under a right of continuation provided by federal or Indiana law also is covered under another *plan*, the *plan* covering the person as an *employee*, member, subscriber or retiree (or as that person's *dependent*) is *primary*, and the continuation coverage is *secondary*. If the other *plan* does not have this rule, and if, as a result, the *plans* do not agree on the order of benefits, this rule is ignored.
- **Longer or shorter length of coverage.** The *plan* that covered the person as an *employee*, member, subscriber or retiree longer is *primary*.

If the preceding rules do not determine the *primary plan*, the *allowable expenses* shall be shared equally between the *plans* meeting the definition of *plan* under this provision. In addition, this *plan* will not pay more than it would have had it been *primary*.

### Effects on the benefits of this plan

When this *plan* is *secondary*, benefits may be reduced to the difference between the *allowable expense* (determined by the *primary plan*) and the benefits paid by any *primary plan* during the *claim determination period*. Payment from all *plans* will not exceed 100% of the total *allowable expense*.

If a *covered person* is enrolled in two or more *closed panel plans* and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one *closed panel plan*; COB shall not apply between that *plan* and the other *closed panel plan*.

## COORDINATION OF BENEFITS (continued)

---

### Right to receive and release needed information

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this *plan* and other *plans*. We may get the facts we need from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under this *plan* and other *plans* covering the person claiming benefits. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under this *plan* must give us any facts we need to apply those rules and determine benefits payable.

### Facility of payment

A payment made under another *plan* may include an amount that should have been paid under this *plan*. If it does, we may pay that amount to the organization that made the payment. That amount will then be treated as though it were a benefit paid under this *plan*. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means a reasonable cash value of the benefits provided in the form of services.

### Right of recovery

If the amount of the payments made by us is more than we should have paid under this COB provision, we may recover the excess from one or more of the persons we have paid or for whom we have paid; or any other person or organization that may be responsible for the benefits or services provided for the covered person. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

### General coordination of benefits with Medicare

If you are covered under both *Medicare* and this *certificate*, federal law mandates that *Medicare* is the secondary plan in most situations. When permitted by law, this plan is the secondary plan. In all cases, coordination of benefits with *Medicare* will conform to federal statutes and regulations. If you are enrolled in *Medicare*, your benefits under this *certificate* will be coordinated to the extent benefits are payable under *Medicare*, as allowed by federal statutes and regulations.

## CLAIMS

### Notice of claim

*Network providers* will submit claims to *us* on *your* behalf. If you utilize a *non-network provider* for *covered expenses*, you may have to submit a notice of claim to *us*. Notice of claim must be given to *us* in writing or by *electronic mail* within 20 days as required by *your* plan, or as soon as is reasonably possible thereafter. Notice must be sent to *us* at *our* mailing address shown on *your* ID card or at *our* website at [www.humana.com](http://www.humana.com).

Claims must be complete. At a minimum a claim must contain:

- Name of the *covered person*, who incurred the *covered expenses*;
- Name and address of the provider;
- Diagnosis;
- Procedure or nature of the treatment;
- Place of service;
- Date of service; and
- Billed amount.

If you receive services outside the United States or from a foreign provider, you must also submit the following information along with *your* complete claim:

- *Your* proof of payment to the provider for the services received outside the United States or from a foreign provider;
- Complete medical information and medical records;
- *Your* proof of travel outside of the United States, such as airline tickets or passport stamps, if you traveled to receive the services; and
- The foreign provider's fee schedule if the provider uses a billing agency.

The forms necessary for filing proof of loss are available at [www.humana.com](http://www.humana.com). When requested by you, we will send you the forms for filing proof of loss. If the requested forms are not sent to you within 15 days, you will have met the proof of loss requirements by sending us a written or *electronic* statement of the nature and extent of the loss containing the above elements within the time limit stated in the "Proof of loss" provision.

### Proof of loss

You must give written or *electronic* proof of loss within 90-days after the date you incur such loss. Your claims will not be reduced or denied if it was not reasonably possible to give such proof within that time period.

Your claims may be reduced or denied if written or *electronic* proof of loss is not provided to us within one year after the date proof of loss is required, unless your failure to timely provide that proof of loss is due to your legal incapacity as determined by an appropriate court of law.

### Claims processing procedures

*Qualified provider* services are subject to *our* claims processing procedures. *We* use *our* claims processing procedures to determine payment of *covered expenses*. *Our* claims processing procedures include, but not limited to, claims processing edits and claims payment policies, as determined by *us*. *Your qualified provider* may access *our* claims processing edits and claims payment policies on *our* website at [www.humana.com](http://www.humana.com) by clicking on "For Providers" and "Claims Resources."

Claims processing procedures include the interaction of a number of factors. The amount determined to be payable for a *covered expense* may be different for each claim because the mix of factors may vary. Accordingly, it is not feasible to provide an exhaustive description of the claims processing procedures, but examples of the most commonly used factors are:

- The complexity of a service;
- Whether a service is one of multiple same day services such that the cost of the service to the *qualified provider* is less than if the service had been provided on a different day. For example:
  - Two or more *surgeries* performed the same day;
  - Two or more endoscopic procedures performed during the same day; or
  - Two or more therapy services performed the same day;
- Whether a *co-surgeon, assistant surgeon, surgical assistant* or any other *qualified provider*, who is billing independently is involved;
- When a charge includes more than one claim line, whether any service is part of or incidental to the primary service that was provided, or if these services cannot be performed together;
- Whether the service is reasonably expected to be provided for the diagnosis reported;
- Whether a service was performed specifically for *you*; or
- Whether services can be billed as a complete set of services under one billing code.

*We* develop *our* claims processing procedures based on *our* review of correct coding initiatives, national benchmarks, industry standards, and industry sources such as the following, including any successors of the same:

- *Medicare* laws, regulations, manuals, and other related guidance;
- Federal and state laws, rules and regulations, including instructions published in the Federal Register;
- National Uniform Billing Committee (NUBC) guidance including the UB-04 Data Specifications Manual;
- American Medical Association's (AMA) Current Procedural Terminology (CPT®) and associated AMA publications and services;
- Centers for Medicare & Medicaid Services' (CMS) Healthcare Common Procedure Coding System (HCPCS) and associated CMS publications and services;
- International Classification of Diseases (ICD);
- American Hospital Association's Coding Clinic Guidelines;
- Uniform Billing Editor;
- American Psychiatric Association's (APA) Diagnostic and Statistical Manual of Mental Disorders (DSM) and associated APA publications and services;
- Food and Drug Administration guidance;

## CLAIMS (continued)

---

- Medical and surgical specialty societies and associations;
- Industry-standard utilization management criteria and/or care guidelines;
- *Our* medical and pharmacy coverage policies; and
- Generally accepted standards of medical, behavioral health and dental practice based on credible scientific evidence recognized in published peer reviewed literature.

Changes to any one of the sources may or may not lead *us* to modify current or adopt new claims processing procedures.

Subject to applicable law, *qualified providers* who are *non-network providers* may bill *you* for any amount *we* do not pay even if such amount exceeds the allowed amount after *we* apply claims processing procedures. Any such amount paid by *you* will not apply to *your deductible* or any *out-of-pocket limit*. *You* will also be responsible for any applicable *deductible, copayment, or coinsurance*.

*You* should discuss *our* claims processing edits, claims payment policies and medical or pharmacy coverage policies and their availability with any *qualified provider*, who is a *non-network provider*, prior to receiving any services. *You* or *your qualified provider* may access *our* claims processing edits and claims payment policies on *our* website at [www.humana.com](http://www.humana.com) by clicking "For Providers" and "Claims resources." *Our* medical and pharmacy coverage policies may be accessed on *our* website at [www.humana.com](http://www.humana.com) under "Medical Resources" by clicking "Coverage Policies." *You* or *your qualified provider* may also call *our* toll-free customer service number listed on *your* ID card to obtain a copy of a claims processing edit, claims payment policy or coverage policy.

### Other programs and procedures

*We* may introduce new programs and procedures that apply to *your* coverage under the *policy*. *We* may also introduce limited pilot or test programs including, but not limited to, disease management, care management, expanded accessibility, or wellness initiatives.

*We* reserve the right to *discontinue* or *modify* a program or procedure at any time.

### Right to require medical examinations

*We* have the right to require a medical examination on any *covered person* as often as *we* may reasonably require. If *we* require a medical examination, it will be performed at *our* expense. *We* also have a right to request an autopsy in the case of death, if state law so allows.

### To whom benefits are payable

If *you* receive services from a *network provider*, *we* will pay the provider directly for all *covered expenses*. *You* will not have to submit a claim for payment.

---

## CLAIMS (continued)

---

Benefit payments for *covered expenses* rendered by a *non-network provider* are due and owing solely to *you*. *You* are responsible for all payments to the *non-network provider*. However, *we* will pay the *non-network provider* directly for the amount *we* owe if:

- *You* request *we* direct a payment of selected medical benefits to the health care provider on whose charge the claim is based and *we* consent to this request; or
- *Your* responsibility for the *covered expenses* is based off the *qualified payment amount*.

Any payment made directly to the *non-network provider* will not constitute the assignment of any legal obligation to the *non-network provider*.

Except as stated above, if *you* submit a claim for payment to *us*, *we* will pay *you* directly for the *covered expenses*.

*You* are responsible to pay all charges to the provider when *we* pay *you* directly for *covered expenses*.

If any *covered person* to whom benefits are payable is a minor or, in *our* opinion, not able to give a valid receipt for any payment due him or her, such payment will be made to his or her parent or legal guardian. However, if no request for payment has been made by the parent or legal guardian, *we* may, at *our* option, make payment to the person or institution appearing to have assumed his or her custody and support.

### Time of payment of claims

*Covered expenses* will be paid within 30 days for the following services received from a *non-network provider*:

- *Emergency care* and *air ambulance* services;
- *Ancillary services* while *you* are at a *network facility*;
- Services that are not considered *ancillary services* while *you* are at a *network facility*, and *you* do not consent to the *non-network provider* to obtain such services; and
- *Post-stabilization* services when:
  - The attending qualified provider determines *you* are not able to travel by non-medical transportation to obtain services from a *network provider*; and
  - *You* do not consent to the *non-network provider* to obtain such services.

For all other services, payments for clean claims due under the *policy* will be paid or denied no more than 45-days after receipt of written proof of loss or 30-days after receipt of *electronic* proof of loss. If the clean claim is not paid or denied within the stated time and the clean claim is subsequently paid, *we* shall pay the provider that submitted the claim interest on the amount due, as required by Indiana law.

A clean claim means a claim submitted by a provider for payment by *us* that has no defect, impropriety, or particular circumstance requiring special treatment preventing payment.

---

## CLAIMS (continued)

---

If the claim is not a clean claim, *we* will notify the *qualified provider* of any deficiencies not more than 30 days after the submission if the claim is filed *electronically* or not more than 45 days after the submission if the claim is filed on paper. If *we* fail to notify the *qualified provider* of any deficiencies within the time limits set forth in this provision, *we* will consider the claim will be considered a clean claim.

### Right to request overpayments

*We* reserve the right to recover any payments made by *us* that were:

- Made in error;
- Made to *you* or any party on *your* behalf, where *we* determine that such payment made is greater than the amount payable under the *policy*;
- Made to *you* and/or any party on *your* behalf, based on fraudulent or misrepresented information; or
- Made to *you* and/or any party on *your* behalf for charges that were discounted, waived or rebated.

*We* reserve the right to adjust any amount applied in error to the *deductible* or *out-of-pocket limit*.

*We* reserve the right to recover any payments made by *us* within two (2) years after the date on which an overpayment on a provider claim was made to the provider. *We* may:

- Request that the provider repay the overpayment; or
- Adjust a subsequent claim filed by the provider as a method of obtaining reimbursement of the overpayment from the provider.

*We* are not be required to correct a payment error to a provider more than two (2) years after the date on which a payment was made to the provider by *us*.

This does not apply in cases of fraud with respect to the claim on which the overpayment or underpayment was made.

### Right to collect needed information

*You* must cooperate with *us* and when asked, assist *us* by:

- Authorizing the release of medical information including the names of all providers from whom *you* received medical attention;
- Obtaining medical information or records from any provider as requested by *us*;
- Providing information regarding the circumstances of *your sickness, bodily injury* or *accident*;
- Providing information about other insurance coverage and benefits, including information related to any *bodily injury* or *sickness* for which another party may be liable to pay compensation or benefits;
- Providing copies of claims and settlement demands submitted to third parties in relation to a *bodily injury* or *sickness*;
- Disclosing details of liability settlement agreements reached with third parties in relation to a *bodily injury* or *sickness*; and
- Providing information *we* request to administer the *policy*.

---

## CLAIMS (continued)

---

If *you* fail to cooperate or provide the necessary information, *we* may recover payments made by *us* and deny any pending or subsequent claims for which the information is requested.

### Claim appeal procedure

If *we* fail to complete a claim determination or appeal within the time limits set forth in the *policy*, the claim shall be deemed to have been denied and *you* may proceed to the next level in the review process outlined under the "Grievance Procedures" section of this *certificate* or as required by law.

### Payment of claims

Benefits accrued on behalf of *you* or *your* covered *dependent* upon death will be paid, at *our* option, up to an amount not exceeding \$5,000, any one or more of the following:

- *Your* spouse;
- *Your* children;
- *Your* parents;
- *Your* brothers and sisters; or
- *Your* estate.

*We* will rely upon an affidavit to determine benefit payment, unless *we* receive written or *electronic* notice of valid claim before payment is made. The affidavit will release *us* from further liability.

Any payment made by *us* in good faith will fully discharge *us* to the extent of such payment.

### Recovery rights

*You* as well as *your dependents* agree to the following, as a condition of receiving benefits under the *policy*.

### Duty to cooperate in good faith

*You* are obligated to cooperate with *us* and *our* agents in order to protect *our* recovery rights. Cooperation includes promptly notifying *us* that *you* may have a claim, providing *us* relevant information, and signing and delivering such documents as *we* or *our* agents reasonably request to secure *our* recovery rights. *You* agree to obtain *our* consent before releasing any party from liability for payment of medical expenses. *You* agree to provide *us* with a copy of any summons, complaint or any other process served in any lawsuit in which *you* seek to recover compensation for *your* injury and its treatment.

*You* will do whatever is necessary to enable *us* to enforce *our* recovery rights and will do nothing after loss to prejudice *our* recovery rights.

*You* agree that *you* will not attempt to avoid *our* recovery rights by designating all (or any disproportionate part) of any recovery as exclusively for pain and suffering.

---

## CLAIMS (continued)

---

In the event that *you* fail to cooperate with *us*, *we* shall be entitled to recover from *you* any payments made by *us*.

### Workers' compensation

If benefits are paid by *us*, and *we* determine that the benefits were for treatment of *bodily injury* or *sickness* that arose from or was sustained in the course of, any occupation or employment for compensation, profit or gain, *we* have the right to recover as described below.

*We* shall have first priority to recover benefits *we* have paid from any funds that are paid or payable by Workers' Compensation or similar coverage as a result of any *sickness* or *bodily injury*, and *we* shall not be responsible for contributing to any attorney fees or recovery expenses under a Common Fund or similar doctrine.

*Our* right to recover from funds that are paid or payable by Workers' Compensation or similar coverage will apply even though:

- The Workers' Compensation carrier does not accept responsibility to provide benefits;
- There is no final determination that *bodily injury* or *sickness* was sustained in the course of, or resulted from, *your* employment;
- The amount of Workers' Compensation due to medical or health care is not agreed upon or defined by *you* or the Workers' Compensation carrier; or
- Medical or health care benefits are specifically excluded from the Workers' Compensation settlement or compromise.

As a condition to receiving benefits from *us*, *you* hereby agree, in consideration for the coverage provided by the *policy*, *you* will notify *us* of any Workers' Compensation claim *you* make, and *you* agree to reimburse *us* as described above.

### Right of subrogation

As a condition to receiving benefits from *us*, *you* agree to transfer to *us* any rights *you* may have to make a claim, take legal action or recover any expenses paid under the *policy*. *We* will be subrogated to *your* rights to recover from any funds paid or payable as a result of a personal injury claim or any reimbursement of expenses by:

- Any legally liable person or their carrier, including self-insured entities;
- Any uninsured motorist or underinsured motorist coverage;
- Medical payments/expense coverage under any automobile, homeowners, premises or similar coverages;
- Workers' Compensation or other similar coverage; and
- No-fault or other similar coverage.

*We* may enforce *our* subrogation rights by asserting a claim to any coverage to which *you* may be entitled.

If *we* are precluded from exercising *our* rights of subrogation, *we* may exercise *our* right of reimbursement.

---

## CLAIMS (continued)

---

### Right of reimbursement

If benefits are paid under the *policy*, and *you* recover from any legally responsible person, their insurer, or any uninsured motorist, underinsured motorist, medical payment/expense, Workers' Compensation, no-fault, or other similar coverage, *we* have the right to recover from *you* an amount equal to the amount *we* paid.

*You* shall notify *us*, in writing or by *electronic mail*, within 31-days of any settlement, compromise or judgment. Any *covered person* who waives, abrogates or impairs *our* right of reimbursement or fails to comply with these obligations, relieves *us* from any obligation to pay past or future benefits or expenses until all outstanding lien(s) are resolved.

If, after the inception of coverage with *us*, *you* recover payment from and release any legally responsible person, their insurer, or any uninsured motorist, underinsured motorist, medical payment/expense, Workers' Compensation, no-fault, or other similar insurer from liability for future medical expenses relating to a *sickness* or *bodily injury*, *we* shall have a continuing right to reimbursement from *you* to the extent of the benefits *we* provided with respect to that *sickness* or *bodily injury*. This right, however, shall apply only to the extent of such payment.

The obligation to reimburse *us* in full exists, regardless of whether the settlement, compromise, or judgment designates the recovery as including or excluding medical expenses.

### Assignment of recovery rights

The *policy* contains an exclusion for *sickness* or *bodily injury*, for which there is medical payment/expenses coverage provided under any homeowner's, premises or other similar coverage.

If *your* claim against the other insurer is denied or partially paid, *we* will process *your* claim according to the terms and conditions of the *policy*. If payment is made by *us* on *your* behalf, *you* agree to assign to *us* the right *you* have against the other insurer for medical expenses *we* pay.

If benefits are paid under the *policy* and *you* recover under any homeowner's, premises or similar coverage, *we* have the right to recover from *you* or whomever *we* have paid, an amount equal to the amount *we* paid.

### Cost of legal representation

The costs of *our* legal representation in matters related to *our* recovery rights shall be borne solely by *us*.

The costs of legal representation incurred by *you* shall be borne solely by *you*. *We* shall not be responsible to contribute to the cost of legal fees or expenses incurred by *you* under any Common Fund or similar doctrine unless *we* were given timely notice of the claim and an opportunity to protect *our* own interests and *we* failed or declined to do so.

---

## GRIEVANCE PROCEDURES

---

- A determination concerning a *prior authorization* request under IC 27-1-37.5;

and for which the *covered person* has a reasonable expectation that action will be taken to resolve or reconsider the matter that is the subject of dissatisfaction.

*Grievance* also includes dissatisfaction regarding claims protected under the Federal No Surprises Act.

***Grievance review panel*** means one or more qualified persons appointed to resolve appeals if an appeal of a *grievance* involves a decision that a service is not *medically necessary* (or appropriate) or a service is considered experimental or investigational. The panel must include one or more individuals who:

- Have knowledge of the medical condition, procedure, or treatment at issue;
- Are in the same licensed profession and have a similar specialty as the provider who proposed or delivered the procedure, treatment or service;
- Are not involved in the matter of the appeal or *grievance*; and
- Do not have a direct business relationship with the *covered person* or provider.

***Prior authorization*** as used in this section means a practice through which coverage of health care services is dependent on the *covered person*, or health care provider, obtaining approval from *us* before the health care services are rendered. The term includes prospective or utilization review procedures conducted before a health care service is rendered.

### First level - grievance process

We will provide oral or written acknowledgement of the receipt of the *grievance* within five (5) business days after the *grievance* is filed. A *grievance* is considered to be filed on the day and time it is first received by *us*. The *grievance* will be resolved within twenty (20) business days after the *grievance* is filed. A written notice of the resolution of a *grievance* will be given to the *covered person* within five (5) business days from the date resolved.

If the investigation cannot be completed within twenty (20) business days due to not receiving necessary requested information from a provider or from the *covered person* within fifteen (15) days, the *covered person* will be notified before the twentieth (20th) business day of the reasons for which additional time is needed.

We will notify the *covered person* in writing of the resolution of the *grievance* not more than ten (10) business days after the notification of delay to the enrollee. The notice will contain the decision, the basis used in making this decision, and the right to appeal the decision along with the appropriate departmental information for which to forward an appeal.

Notwithstanding the above, if the *grievance* is a *step therapy* protocol exception request, a determination concerning the *step therapy* protocol exception request will be made within three (3) business days after receiving all information reasonably necessary to complete the *grievance* review. The written notice of denial will include an explanation for the denial and the clinical rationale supporting the denial.

---

## GRIEVANCE PROCEDURES (continued)

---

### Second level - appeal process

If the *covered person* is not satisfied with the resolution of the first level review, he/she may appeal by submitting a written or verbal request. We will acknowledge the receipt of the appeal, orally or in writing, within five (5) business days of receipt.

In the case of an appeal of a *grievance* decision regarding a *covered expense* that is not *medically necessary*, appropriate or is experimental or investigational, the appeal will be reviewed by a *grievance review panel*. The *covered person* will be given the opportunity to attend a *grievance review panel* committee meeting and present his/her case. The *covered person* will be given a seventy-two (72) hour advance notice of the committee meeting.

Resolution of the appeal will not exceed forty-five (45) days after the appeal has been filed. A written notice will be issued to the *covered person* within five (5) business days after the resolution.

The *covered person* may be able to request an external review if this resolution is not satisfactory. Refer to the External Review Process below.

### Expedited grievance process

An *expedited grievance* review may be requested when review timeframes would seriously jeopardize the *covered person's* life, health or ability to regain maximum function.

An *expedited grievance* review of a *step-therapy* protocol exception may be requested in an urgent care situation. An urgent care situation arises if the injury or condition could (1) seriously jeopardize the *covered person's* life or health, or the *covered person's* ability to regain maximum function, based on a prudent layperson's judgment or (2) subject the *covered person* to severe pain that cannot be adequately managed, based on the prescribing *health care practitioner's* judgment, if medical care or treatment is not provided earlier than the timeframe generally considered by the medical profession to be reasonable for a non-urgent situation.

We will accept requests for an expedited review in writing or orally. Once the expedited *grievance* review is initiated and all information received to complete the expedited review, then we will notify the *covered person* verbally of the resolution within forty-eight (48) hours, not to exceed 72 hours or within one (1) business day for *step therapy* protocol exception requests.

If coverage has been denied for a treatment, procedure, drug, or device on the grounds that the treatment, procedure, drug, or device is experimental or investigational, we will notify the *covered person* of the resolution within seventy-two (72) hours.

### External review process

If the *covered person* is not satisfied with the resolution of the internal *grievance* process the *covered person*, or an *authorized representative* may request an external review of the decision. There is no cost to the *covered person* to request an external review.

---

## GRIEVANCE PROCEDURES (continued)

---

An external review is available for a *grievance* regarding the following:

- An adverse decision regarding a service proposed by the treating health care provider:
  - An adverse determination of appropriateness;
  - An adverse determination of *medical necessity*;
  - A determination that a proposed service is experimental or investigational;
  - Claims protected under the Federal No Surprises Act;
  - *Our* decision to rescind the *policy*.

The request should be submitted in writing within 120- days after the *covered person* is notified of the decision. *We* will provide the Independent Review Organization (IRO) conducting the external review all pertinent information to review *our* initial decision. For claims protected under the No Surprises Act, refer to *our* decision letter for the timeframe to submit the request and instructions on how to request an external review.

IRO's are certified by the Indiana Department of Insurance. The IRO will assign a medical review professional who is board certified in the applicable specialty for resolution of the *external grievance*. The IRO and the medical review professional conducting the external review has no material professional, familial, financial, or other affiliation with *us*, any provider, the *covered person*, or any development or manufacture of any drug, device, procedure, or therapy associated with the *grievance*.

A *covered person* may only file one external *grievance* appeal regarding *our* resolution of the internal *grievance*.

### Standard external review

*We* will forward the *covered person's* request to an Independent Review Organization certified by the Indiana Department of Insurance that will evaluate and render a decision within fifteen (15) business days after the request is filed. ### Employee assistance program

We may provide *you* access to an employee assistance program (EAP). The EAP may include confidential, telephonic consultations and work-life services. The EAP provides *you* with short-term, problem solving services for issues that may otherwise affect *your* work, personal life or health. The EAP is designed to provide *you* with information and assistance regarding *your* issue and may also assist *you* with finding a medical provider or local community resource.

The services provided by the EAP are not *covered expenses* or insured benefits under the *policy*, therefore the *copayments*, *deductible* or *coinsurance* do not apply. However, there may be additional costs to *you*, if *you* obtain services from a professional or organization the EAP has recommended or has referred *you* to. The EAP does not provide medical care. *You* are not required to participate in the EAP before using *your* insured benefits under the *policy*, and the EAP services are not coordinated with *covered expenses* under the *policy*. The decision to participate in the EAP is voluntary, and *you* may participate at any time during the *year*. Refer to the marketing literature for additional information.

### Discount programs

From time to time, *we* may offer or provide access to discount programs to *you*. In addition, *we* may arrange for third party service providers such as pharmacies, optometrists, dentists and alternative medicine providers to provide discounts on goods and services to *you*. Some of these third party service providers may make payments to *us* when *covered persons* take advantage of these discount programs. These payments offset the cost to *us* of making these programs available and may help reduce the costs of *your* plan administration. Although *we* have arranged for third parties to offer discounts on these goods and services, these discount programs are not insured benefits under the *policy*. The third party service providers are solely responsible to *you* for the provision of any such goods and/or services. *We* are not responsible for any such goods and/or services, nor are *we* liable if vendors refuse to honor such discounts. Further, *we* are not liable to *covered persons* for the negligent provision of such goods and/or services by third party service providers. Discount programs may not be available to persons who "opt out" of marketing communications and where otherwise restricted by law.

### Wellness programs

From time to time *we* may offer directly, or enter into agreements with third parties who administer participatory or health-contingent wellness programs to *you*.

"Participatory" wellness programs do not require *you* to meet a standard related to a health factor. Examples of participatory wellness programs may include, but are not limited to, membership in a fitness center, certain preventive testing, or attending a no-cost health education seminar.

"Health-contingent" wellness programs require *you* to attain certain wellness goals that are related to a health factor. Examples of health contingent wellness programs may include, but are not limited to, completing a 5k event, lowering blood pressure or ceasing the use of tobacco.

---

## DISCLOSURE PROVISIONS (continued)

---

The rewards may include, but are not limited to, payment for all or a portion of a participatory wellness program, merchandise, gift cards, debit cards, discounts or contributions to *your* health spending account. *We* are not responsible for any rewards provided by third parties that are non-insurance benefits or for *your* receipt of such reward(s).

The rewards may also include, but are not limited to, discounts or credits toward premium or a reduction in *copayments*, *deductibles* or *coinsurance*, as permitted under applicable state and federal laws. Such insurance premium or benefit rewards may be made available at the individual or *group* health plan level.

The rewards may be taxable income. *You* may consult a tax advisor for further guidance.

*Our* agreement with any third party does not eliminate any of *your* obligations under this *policy* or change any of the terms of this *policy*. *Our* agreement with the third parties and the program may be terminated at any time, although insurance benefits will be subject to applicable state and federal laws.

*We* are committed to helping *you* achieve *your* best health. Some wellness programs may be offered only to *covered persons* with particular health factors. If *you* think *you* might be unable to meet a standard for a reward under a health-contingent wellness program, *you* might qualify for an opportunity to earn the same reward by different means. Contact *us* at the number listed on *your* ID card or in the marketing literature issued by the wellness program administrator for more information.

The wellness program administrator or *we* may require proof in writing from *your health care practitioner* that *your* medical condition prevents *you* from taking part in the available activities.

The decision to participate in wellness program activities is voluntary and if eligible, *you* may decide to participate anytime during the *year*. Refer to the marketing literature issued by the wellness program administrator for their program's eligibility, rules and limitations.

### Shared savings program

As a member of a Preferred Provider Organization Plan, *you* may obtain services from *network providers* who participate in the Preferred Provider Organization network, or *non-network providers* who do not participate in the Preferred Provider Organization network. If *you* choose a *network provider*, *your* out-of-pocket expenses are normally lower than if *you* choose a *non-network provider*.

If *you* choose to obtain services from a *non-network provider*, the services may be eligible for a discount to *you* under the Shared Savings Program. It is not necessary for *you* to inquire in advance about services that may be discounted. When processing *your* claim, *we* will automatically determine if the services are subject to the Shared Savings Program and calculate *your deductible* and *coinsurance* on the discounted amount. Whether the services are subject to the Shared Savings Program is at our discretion, and *we* apply the discounts in non-discriminatory manner. *Your* Explanation of Benefits statement will reflect any savings with a remark code that the services have been discounted. *We* cannot guarantee that services rendered by *non-network providers* will be discounted. The *non-network provider* discounts in the Shared Savings Program may not be as favorable as *network provider* discounts.

---

## DISCLOSURE PROVISIONS (continued)

---

If *you* would like to inquire in advance to determine if services rendered by a *non-network provider* may be subject to the Shared Savings Program, please contact *our* customer service department at the telephone number shown on *your* ID card. Provider arrangements in the Shared Savings Program are subject to change without notice. *We* cannot guarantee that the services *you* receive from a *non-network provider* are still subject to the Shared Savings Program at the time services are received. Discounts are dependent upon availability and cannot be guaranteed.

*We* reserve the right to modify, amend or discontinue the Shared Savings Program at any time.

### Entire contract

The entire contract is made up of the *certificate*, *policy*, the application of the *policyholder*, incorporated by reference herein, and the applications or enrollment forms, if any, of the *covered persons*. All statements made by the *policyholder* or by a *covered person* are considered to be representations, not warranties. This means that the statements are made in good faith. No statement will void the *policy*, reduce the benefits it provides or be used in defense to a claim unless it is contained in a written or *electronic* application or enrollment form and a copy is furnished to the person making such statement or his or her beneficiary.

### Additional policyholder responsibilities

In addition to responsibilities outlined in the *policy*, the *policyholder* is responsible for:

- Collection of premium; and
- Distributing and providing *covered persons* access to:
  - Benefit plan documents and the Summary of Benefits and Coverage (SBC);
  - Renewal notices and *policy* modification information;
  - Discontinuance notices; and
  - Information regarding continuation rights.

No *policyholder* may change or waive any provision of the *policy*.

### Certificates of insurance

A *certificate* setting forth the benefits available to the *employee* and the *employee's* covered dependents will be available at Humana.com or in writing when requested. The *policyholder* is responsible for providing *employees* access to the *certificate*.

No document inconsistent with the *policy* shall take precedence over it. This is true, also, when this *certificate* is incorporated by reference into a summary description of plan benefits by the administrator of a group health plan subject to ERISA. If the terms of a summary plan description differ with the terms of this *certificate*, the terms of this *certificate* will control.

### Incontestability

The validity of the *policy* may not be contested, except for nonpayment of premiums, after the *policy* has been in force for two (2) years after its date of issue, and no statement made by a *covered person* under the *policy* relating to the *covered person's* insurability may be used in contesting the validity of the *policy* with respect to which the statement was made, unless:

- The *policy* has not been in force for a period of two (2) years or longer during the *covered person's* lifetime; or
- The statement is contained in a written instrument signed by *you*.

---

## MISCELLANEOUS PROVISIONS (continued)

---

No statement made by *you* can be contested unless it is in a written or *electronic* form signed by *you*. A copy of the form must be given to *you* or *your* beneficiary.

An independent incontestability period begins for each type of change in coverage or when a new application or enrollment form of the *covered person* is completed.

### Legal actions and limitations

No legal action to recover on the *policy* may be brought until 60 days after written proof of loss has been given in accordance with the "Proof of loss" provision of the *policy*. No legal action to recover on the *policy* may be brought after three years from the date written proof of loss is required to be given.

### Fraud

Health insurance fraud is a criminal offense that can be prosecuted. Any person(s) who willingly and knowingly engages in an activity intended to defraud *us*, by filing a claim or form that contains a false or deceptive statement may be guilty of insurance fraud.

If *you* commit fraud against *us* or *your employer* commits fraud pertaining to *you* against *us*, as determined by *us*, *we* reserve the right to *rescind your* coverage after *we* provide *you* a 30-calendar-day advance written notice that coverage will be *rescinded*. *You* have the right to appeal the *rescission*.

### Clerical error or misstatement

If it is determined that information about a *covered person* was omitted or misstated in error, an adjustment may be made in premiums and/or coverage in effect. This provision applies to *you* and to *us*.

### Modification of policy

The *policy* may be modified by *us*, upon renewal of the *policy*, as permitted by state and federal law. The *policyholder* will be notified in writing or *electronically* at least 60-days prior to the effective date of the change.

The *policy* may be modified by agreement between *us* and the *policyholder* without the consent of any *covered person* or any beneficiary. No modification will be valid unless approved by *our* President, Secretary or Vice-President. The approval must be endorsed on or attached to the *policy*. No agent has authority to modify the *policy*, waive any of the *policy* provisions, extend the time of premium payment, or bind *us* by making any promise or representation.

Corrections due to clerical errors or clarifications that do not change benefits are not modifications of the *policy* and may be made by *us* at any time without prior consent of, or notice to, the *policyholder*.

---

## MISCELLANEOUS PROVISIONS (continued)

---

### Discontinuation of coverage

If *we* decide to discontinue offering a particular group health policy:

- The *policyholder* and the *employees* will be notified of such discontinuation at least 90-days prior to the date of discontinuation of such coverage; and
- The *policyholder* will be given the option to purchase all other group health plans providing medical benefits that are being offered by *us* at such time.

If *we* cease doing business in the *small employer* group market, the *policyholders*, *covered persons* and the Commissioner of Insurance will be notified of such discontinuation at least (1) one year prior to the date of discontinuation of such coverage.

### Premium contributions

*Your employer* must pay the required premiums to *us* as they become due. *Your employer* may require *you* to contribute toward the cost of *your* insurance. Failure of *your employer* to pay any required premium to *us* when due may result in the termination of *your* insurance.

### Premium rate change

*We* reserve the right to change any premium rates in accordance with applicable law upon notice to the *employer*. *We* will provide notice to the *employer* of any such premium changes. Questions regarding changes to premium rates should be addressed to the *employer*.

### Assignment

The *policy* and its benefits may not be assigned by the *policyholder*.

### Emergency declarations

*We* may alter or waive the requirements of the *policy* as a result of a state or federal emergency declaration including, but not limited to:

- *Prior authorization* or *preauthorization* requirements;
- *Prescription* quantity limits; and
- *Your copayment, deductible* and/or *coinsurance*.

*We* have the sole authority to waive any *policy* requirements in response to an emergency declaration.

### Conformity with statutes
