# Pre-Enrollment Checklist

**Before making an enrollment decision, it is important that you fully understand our benefits and rules.**

If you have any questions, you can call and speak to a Member Services representative at **1-800-794-4105** (TTY: **711**). From October 1 - March 31, we are open 7 days a week; 8 a.m. to 8 p.m. From April 1 - September 30, we are open Monday - Friday; 8 a.m. to 8 p.m. You may always leave a voicemail after hours, Saturdays, Sundays, and holidays and we will return your call within one business day.

## Understanding the Benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor.  
Visit **CarePlusHealthPlans.com/medicare-plans/2022** or call **1-800-794-4105** (TTY: **711**) to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

## Understanding Important Rules

- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. The Part B premium may be covered through the Florida Medicaid Program.
- ☐ Benefits, premiums and/or copayments/coinsurance may change on January 1, 2023.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ This plan is a chronic condition special needs plan (C-SNP). Your ability to enroll will be based on verification that you have a qualifying specific severe or disabling chronic condition.

It does not list every service covered by this plan or list every limitation or exclusion. ## Tips for comparing your Medicare choices

- To compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets, or use the Medicare Plan Finder on **Medicare.gov**.
- To learn more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. You can view it online at **Medicare.gov** or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY: **1-877-486-2048**.

## Who can join CareComplete (HMO C-SNP)?

To join **CareComplete (HMO C-SNP)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, be diagnosed with Diabetes, Cardiovascular Disorders and/or Chronic Heart Failure, and live in our service area.

Our service area includes the following county in Florida: Miami-Dade.

## Which doctors, hospitals, and pharmacies can you use?

**CareComplete (HMO C-SNP)** has a network of doctors, hospitals, pharmacies, and other providers. You must access all plan-covered items and services through the CarePlus network of providers with the exception of urgently needed care or emergency services. If you use providers that are not in our network, the plan may not pay for these services.

**Prior authorization or a physician referral may be required for covered in-network medical services.**

You must generally use network pharmacies to fill your prescriptions for Medicare-covered Part D drugs. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies.

You can see our plan's provider/pharmacy directory on our website: [CarePlusHealthPlans.com/directories](https://www.CarePlusHealthPlans.com/directories), or call us and we will send you a copy.

## What does this plan cover?

**CareComplete (HMO C-SNP)** covers everything that Original Medicare covers - and *more*.

In addition to covering medical services, we cover certain Part D drugs and Part B drugs such as chemotherapy and some drugs administered by your physician. For more information on covered drugs, refer to the Evidence of Coverage (EOC).

You can see our complete Drug Guide (approved list of prescription drugs/formulary) and any restrictions on our website, [CarePlusHealthPlans.com/medicare-plans/2022-prescription-drug-guides](https://www.CarePlusHealthPlans.com/medicare-plans/2022-prescription-drug-guides).

You can also call us and we will send you a copy of our Drug Guide.

## How to determine your drug costs

The plan groups medications into one of five tiers. You will need to use your formulary to locate what tier your drug is in to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the drug coverage you have reached.

**Do you have Medicare and Medicaid?** If you are a dual-eligible beneficiary enrolled in both Medicare and Florida's Medicaid program, **you may not have to pay the medical costs displayed in this booklet and your prescription drug costs will be lower, too.** Please contact us to learn more about how this plan works for dual-eligible members.

### PART D PRESCRIPTION DRUG BENEFITS

- This plan uses a formulary. Quantity limitations and other drug restrictions/authorizations may apply.
- CarePlus offers a nationwide network of pharmacies.
- Your cost for prescription drugs depends on the pharmacy where the prescription is filled (retail, mail-order, or long term care facility). Our network includes pharmacies that offer standard cost-sharing and pharmacies that offer preferred cost-sharing. Your cost may be less at pharmacies with preferred cost-sharing.
- Your cost also depends on where the drug is administered (at home, pharmacy or provider's office), the supply needed (30 days or a long-term supply), which stage of the Part D benefit you are in, and if you qualify for "Extra Help."
- If you get drugs from an out-of-network pharmacy, you may pay more than you pay at an in-network pharmacy. The cost-sharing information provided in this booklet is for in-network pharmacies.
- Total yearly drug costs are the total drug costs paid by both you and the plan.
- For more information on prescription drug benefit cost-sharing and stages, please call us or access our Evidence of Coverage online at [CarePlusHealthPlans.com/medicare-plans/2022](https://www.CarePlusHealthPlans.com/medicare-plans/2022).
