## Annual Notice of Changes for 2023

You are currently enrolled as a member of CareOne PLATINUM (HMO-POS). Next year, there will be changes to the plan's costs and benefits. **Please see page 6 for a Summary of Important Costs, including Premium.**

This document tells about the changes to your plan. To get more information about costs, benefits, or rules please review the *Evidence of Coverage*, which is located on our website at [www.careplushealthplans.com/medicare-plans/2023](http://www.careplushealthplans.com/medicare-plans/2023). You may also call Member Services to ask us to mail you an *Evidence of Coverage*.

- **You have from October 15 until December 7 to make changes to your Medicare coverage for next year.**
- 

### What to do now

#### 1. ASK: Which changes apply to you

- ☐ Check the changes to our benefits and costs to see if they affect you.
  - Review the changes to Medical care costs (doctor, hospital).
  - Review the changes to our drug coverage, including authorization requirements and costs.
  - Think about how much you will spend on premiums, deductibles, and cost sharing.
- ☐ Check the changes in the 2023 Drug Guide to make sure the drugs you currently take are still covered.
- ☐ Check to see if your primary care doctors, specialists, hospitals and other providers, including pharmacies will be in our network next year.
- ☐ Think about whether you are happy with our plan.

#### 2. COMPARE: Learn about other plan choices

- ☐ Check coverage and costs of plans in your area. Use the Medicare Plan Finder at [www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare) website or review the list in the back of your *Medicare & You 2023* handbook.
- ☐ Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

#### 3. CHOOSE: Decide whether you want to change your plan

- If you don't join another plan by December 7, 2022, you will stay in CareOne Platinum (HMO-POS).
- To change to a **different plan**, you can switch plans between October 15 and December 7. Your new coverage will start on **January 1, 2023**. This will end your enrollment with CareOne Platinum (HMO-POS).
- If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

## SECTION 1 We Are Changing the Plan's Name

On January 1, 2023, our plan name will change from CareOne PLATINUM (HMO-POS) to CareOne Platinum (HMO-POS).

You will receive a new ID card in the mail with the new CarePlus plan name prior to your effective date. Any plan documents you receive after January 1, 2023 will use the new plan name.

## SECTION 2 Changes to Benefits and Costs for Next Year

### Section 2.1 - Changes to the Monthly Premium

Cost	2022 (this year)	2023 (next year)
<b>Monthly premium</b> (You must also continue to pay your Medicare Part B premium.)	\$0	\$0

- Your monthly plan premium will be *more* if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as "creditable coverage") for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.

### Section 2.2 - Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay "out-of-pocket" for the year. This limit is called the "maximum out-of-pocket amount." Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2022 (this year)		2023 (next year)	
	In-Network	Out-of-Network	In-Network	Out-of-Network
<b>Maximum out-of-pocket amount</b>  Your costs for covered medical services (such as copays) count toward your maximum out-of-pocket amount. Your costs for prescription drugs do not count toward your maximum out-of-pocket amount.	<b>\$3,750</b>	<b>\$3,750</b> combined in-network and out-of-network	<b>\$3,750</b>  Once you have paid <b>\$3,750</b> out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services for the rest of the calendar year.	<b>\$3,750</b> combined in-network and out-of-network  Once you have paid <b>\$3,750</b> out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services for the rest of the calendar year.

### Section 2.3 - Changes to the Provider and Pharmacy Networks

Updated directories are also located on our website at [www.careplushealthplans.com/directories](http://www.careplushealthplans.com/directories). You may also call Member Services for updated provider and/or pharmacy information or to ask us to mail you a directory.

There are changes to our network of providers for next year. **Please review the 2023 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

There are changes to our network of pharmacies for next year. **Please review the 2023 Provider Directory to see which pharmacies are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers), and pharmacies that are part of your plan during the year. If a mid-year change in our providers affects you, please contact Member Services so we may assist.

### Section 2.4 - Changes to Benefits and Costs for Medical Services

We are making changes to costs and benefits for certain medical services next year. The information below describes these changes.

Services received at Rural Health Clinics, Federally Qualified Health Clinics, and Critical Access Hospitals may be subject to the Primary Care Physician or Specialist copay or coinsurance, as applicable, for 2023.

Effective April 1, 2023, some rebatable Part B drugs may be subject to a lower coinsurance.

Effective July 1, 2023, cost sharing for covered Part B Insulin furnished through a covered item of durable medical equipment will be no more than \$35 for a one-month (up to 30-day) supply.

## Section 2.5 - Changes to Part D Prescription Drug Coverage

### Changes to Our Drug Guide

Our list of covered drugs is called a Formulary or "Drug Guide." A copy of our Drug Guide is provided electronically. The Drug Guide includes many - but not all - of the drugs that we will cover next year. If you don't see your drug on this list, it might still be covered. **You can get the complete Drug Guide** by calling Member Services (see the back cover) or visiting our website [www.careplushealthplans.com/medicare-plans/2023-prescription-drug-guides](http://www.careplushealthplans.com/medicare-plans/2023-prescription-drug-guides).

We made changes to our Drug Guide, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug Guide to make sure your drugs will be covered next year and to see if there will be any restrictions.**

Most of the changes in the Drug Guide are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug Guide to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Member Services for more information.

### Changes to Prescription Drug Costs

**Note:** If you are in a program that helps pay for your drugs ("Extra Help"), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the "Evidence of Coverage Rider

for People Who Get Extra Help Paying for Prescription Drugs" (also called the "Low Income Subsidy Rider" or the "LIS Rider"), which tells you about your drug costs. If you receive "Extra Help" and you haven't received this insert by September 30, please call Member Services and ask for the "LIS Rider."

There are four "drug payment stages." The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

### Changes to the Deductible Stage

<b>Stage 1: Yearly Deductible Stage</b>	Because we have no deductible, this payment stage does not apply to you.	Because we have no deductible, this payment stage does not apply to you.

### Changes to Your Cost Sharing in the Initial Coverage Stage

Stage	2022 (this year)	2023 (next year)
<b>Stage 2: Initial Coverage Stage</b> During this stage, the plan pays its share of the cost of your drugs and <b>you pay your share of the cost.</b>  The cost in these rows are for a one-month (up to a 30-day) supply when you fill your prescription at a network pharmacy. For information about the costs for a long-term supply; at a network pharmacy that offers preferred cost sharing; or for mail-order prescriptions, look in Chapter 6, Section 5 of your <i>Evidence of Coverage</i> . We changed the tier for some of the drugs on our Drug Guide. To see if your drugs will be in a different tier, look them up on the Drug Guide. CareOne Platinum (HMO-POS) offers additional gap coverage for Select Insulins as part of the **Insulin Savings Program**. During the Coverage Gap stage, your out-of-pocket costs for Select Insulins will be **\$5-\$35** for a one-month (up to a 30-day) supply. The Insulin Savings Program does not apply to the Catastrophic Coverage Stage.

**Important Message About What You Pay for Vaccines** - Our plan covers most Part D vaccines at no cost to you. Call Member Services for more information.

**Important Message About What You Pay for Insulin** - You won't pay more than \$35 for a one-month (up to 30-day) supply of each Part D insulin product covered by our plan, no matter what cost-sharing tier it's on. This applies to all Part D covered insulins, including the Select Insulins covered under the Insulin Savings Program. If you receive "Extra Help", you will still pay no more than \$35 for a one-month supply for each Part D covered insulin. Please see your Prescription Drug Guide to find all Part D insulins covered by your plan. To get more information about costs, benefits, or rules please review the *Evidence of Coverage*, which is located on our website at [www.careplushealthplans.com/medicare-plans/2023](http://www.careplushealthplans.com/medicare-plans/2023).

**Getting Help from Medicare** - If you chose this plan because you were looking for insulin coverage at \$35 a month or less, it is important to know that you may have other options available to you for 2023 at even lower costs because of changes to the Medicare Part D program. Contact Medicare, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week for help comparing your options. TTY users should call 1-877-486-2048.

**Additional Resources to Help** - Please contact our Member Services number at 1-800-794-5907 for additional information. (TTY users should call 711.) Hours are 8 a.m. to 8 p.m. seven days a week from October 1 - March 31 and 8 a.m. to 8 p.m. Monday-Friday from April 1 - September 30.

## SECTION 3 Deciding Which Plan to Choose

### Section 3.1 - If you want to stay in CareOne Platinum (HMO-POS)

**To stay in our plan, you don't need to do anything.** If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our CareOne Platinum (HMO-POS).

### Section 3.2 - If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2023 follow these steps:

#### Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 2.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder ([www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare)), read the *Medicare & You 2023* handbook, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

#### Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from CareOne Platinum (HMO-POS).

- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from CareOne Platinum (HMO-POS).
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Member Services if you need more information on how to do so.
  - or – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

## SECTION 4 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2023.

### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get "Extra Help" paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2023, and don't like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2023.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

## SECTION 5 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state.

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. State Health Insurance Assistance Program (SHIP) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call your State Health Insurance Assistance Program at the number listed in "Exhibit A" in the back of this document.

## SECTION 6 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **"Extra Help" from Medicare.** People with limited incomes may qualify for "Extra Help" to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. To see if you qualify, call:

- 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
- The Social Security Office at 1-800-772-1213 between 8 am and 7 pm, Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
- Your State Medicaid Office (applications).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the ADAP program. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call the ADAP program (the name and phone numbers for this organization are in "Exhibit A" in the back of this document).

#### **Read your 2023 Evidence of Coverage (it has details about next year's benefits and costs)**

This *Annual Notice of Changes* gives you a summary of changes in your benefits and costs for 2023. For details, look in the 2023 *Evidence of Coverage* for CareOne Platinum (HMO-POS). The *Evidence of Coverage* is the legal, detailed description of your plan benefits. It explains your rights and the rules you need to follow to get covered services and prescription drugs.
