Directorio de Proveedores

This directory provides a list of CarePlus' current network providers in your area. To get the most up-to-date information, you can also visit our website at <https://www.careplushealthplans.com/physician-finder> to access our online, searchable directory.

Este directorio proporciona una lista de los actuales proveedores de la red de CarePlus en su área. Para obtener la información más actualizada, usted también puede visitar nuestro sitio web en <https://www.careplushealthplans.com/physician-finder> para tener acceso a nuestro directorio de búsqueda en Internet.

IMPORTANT NOTE: CarePlus is not a provider of medical services. CarePlus does not endorse or control the clinical judgment or treatment recommendations made by the physicians or other providers listed in the directory or otherwise selected by you.

NOTA IMPORTANTE: *CarePlus no es un proveedor de servicios médicos. CarePlus no respalda ni regula el criterio clínico ni las recomendaciones de tratamiento hechas por los médicos u otros proveedores incluidos en el directorio o seleccionados por usted.*

Each Primary Care Provider (PCP) has certain plan specialists they use for referrals. This means that the PCP you select may determine the specialists you may see. You may change your PCP at any time, if you want to see a plan specialist that your current PCP can't refer you to.

Cada Médico de Atención Primaria (PCP, por sus siglas en inglés) cuenta con ciertos especialistas del plan que utilizan para referidos. Esto significa que el PCP que usted eligió puede determinar los especialistas que usted puede consultar. Usted puede cambiar de PCP en cualquier momento, si desea consultar a un especialista del plan al cual no pueda referirle su Médico de Atención Primaria actual.

Section 1 – Introduction to the Provider Directory

This directory provides a list of CarePlus' network providers. This directory is current as of December 19, 2023. The provider network may change at any time. You will receive notice when necessary. Some network providers may have been added or removed from our network after this directory was printed. We do not guarantee that each provider is still accepting new members. To access CarePlus' online provider directory, you can visit <https://www.careplushealthplans.com/physician-finder>. For any questions about the information contained in this directory, please call Member Services at 1-800-794-5907; TTY: 711. From October 1 - March 31, we are open 7 days a week, 8 a.m. to 8 p.m. From April 1 - September 30, we are open Monday - Friday, 8 a.m. to 8 p.m. You may always leave a voicemail after hours, Saturdays, Sundays, and holidays and we will return your call within one business day. This directory also includes basic information about how to get covered services with CarePlus. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers who are listed in this directory to be your **Primary Care Provider (PCP)**. The term "PCP" will be used throughout this directory. Generally, you must get your health care coverage from your PCP. The "network providers" listed in this directory have agreed to provide you with your health care services. In most cases, your health care coverage is covered under CarePlus. You may go to any of our network providers listed in this directory; however, some services may require a referral. Using providers marked in this directory as preferred cost-share providers with the numeric symbol **(3)**, may result in lower cost-sharing to you as part of your benefits. Please refer to the Evidence of Coverage (EOC) for more detailed information. If you have been going to one network provider, you are not required to continue going to that same provider.

What is the service area for CarePlus?

The counties in our service area are listed below:

Broward, Miami-Dade, Palm Beach, Hernando, Hillsborough, Pasco, Pinellas, Polk, Lake, Marion, Orange, Osceola, Seminole, Sumter, Brevard, Indian River, Duval, Clay, St. Johns, Flagler and Volusia.

CarePlus' provider network includes:

<u>Broward</u>		<u>Miami-Dade</u>		<u>Palm Beach</u>	
453	Primary Care Providers	797	Primary Care Providers	297	Primary Care Providers
10	Hospitals	20	Hospitals	14	Hospitals

How do you find CarePlus network providers that serve your area?

The Provider Directory is organized alphabetically by county and then by provider type in the following order: Primary Care Providers, Hospitals, Specialists, Ancillaries, Dentists, Pharmacies and Fitness Centers. Within each provider type, network providers are listed alphabetically by medical specialty. If you have questions about CarePlus, require assistance in selecting a PCP or don't have a hardcopy Provider Directory and you would like a hardcopy mailed to you, please call Member Services at the phone numbers listed under Section 1. You can also visit our website at <https://www.careplushealthplans.com/physician-finder> to access our online, searchable directory.

What if I use out-of-network providers to get my covered services?

"Out-of-network providers" are providers that are not part of the CarePlus network. You must use network providers except in emergency or urgent care situations. Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area you must use plan providers for urgent care. When out of the service area, urgent care may be obtained from the first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider. If you obtain routine care from out-of-network providers neither Medicare nor CarePlus will be responsible for the costs.

What should I do if I have bills from out-of-network providers that I think should be paid by CarePlus?

We cover certain health care services that you get from out-of-network providers. These include care for a medical emergency, urgently needed care, renal dialysis (kidney) that you get when you are outside the plan's service area, care that has been approved in advance by CarePlus and any services for which coverage was determined through an appeals process. If an out-of-network provider asks you to pay for covered services you get in these situations, please call Member Services at the phone numbers listed under Section 1. You may also send a written inquiry to: PO Box 277810 Miramar, FL 33027, Attn: Member Services department.

You should never pay any out-of-network provider more than what the plan is allowed by Medicare. The provider has a right to get his/her fees, but does not have a right to get them from you. Ask the out-of-network provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your out-of-network provider for our share of the bill and will let you know what, if anything, you must pay.

Getting care when traveling or away from the plan's service area

If you need care when you are outside the service area, your health care services is very limited. The only services we cover when you are outside our service area are care for a medical emergency, including maintenance care and hospital care after you are stable (known as post-stabilization), urgently needed care, renal dialysis (kidney), and care that CarePlus or a network provider has approved in advance. For more information about medical emergency and urgently needed care, see Section 6. If you question whether a service is covered when you travel, or about how to fill your outpatient prescription when you travel or are away from the plan service area, please call Member Services at the phone numbers listed under Section 1.

Can the list of network providers change?

Yes, CarePlus may add or remove network providers from our provider directory. To get the most up-to-date information about CarePlus network providers in your area, you can visit <https://www.careplushealthplans.com/physician-finder> or call Member Services at the phone numbers listed under Section 1.

Your rights to access and participate in medical care

You have the right to get timely access to network providers and to all services covered by the plan. Timely access means that you can get appointments and services within a reasonable period of time. You have the right to get full information from your providers when you go for medical care. You have the right to participate fully in decisions about your health care. You have the right to refuse care.

Section 2 – Choosing your Primary Care Provider (PCP)

What is a “PCP”?

When you become a member of CarePlus, you must choose a network provider to be your PCP. Your PCP is a physician who meets state requirements and is trained to give you basic medical care. You will get your routine or basic care from your PCP. Your PCP can also coordinate the rest of the covered services you need. In most cases, you must see your PCP to get a referral before you see any other health care provider.

How do you choose a PCP?

You will receive a CarePlus provider directory at the time of enrollment to help you select the PCP of your choice. The PCP you choose will be listed on your enrollment form. You can change your PCP at any time. If you want to use a particular CarePlus specialist or hospital, you should

check with your PCP to make sure they can make referrals to the specialist or hospital. The name and office telephone number of your PCP is printed on your membership card.

Getting care from your PCP

Generally, you see your PCP first for most of your routine health care needs. There are only a few types of covered services you can get on your own, without seeing your PCP first. Please see Section 4 for the type of covered services you can get on your own.

Your PCP can also help you arrange or coordinate your covered services. This includes x-rays, laboratory tests, therapies, specialists, hospital admissions, and follow-up care. Your PCP also contacts other network providers for updates about your care and/or treatments. If you need certain types of covered services or supplies, your PCP must give approval ahead of time. Your PCP must give you a referral to see a specialist. In some cases, your PCP will also need to get prior authorization (prior approval). Since your PCP will provide and coordinate your health care, you should have all of your past medical records sent to your new PCP's office. The law requires us to protect your privacy of medical records and personal health information. For more information about privacy, see your Evidence of Coverage (EOC).

How to change your PCP

You may change your PCP for any reason, at any time. Change requests received by the **21st** day of the month will typically be effective the first day of the following month. To change your PCP, please call Member Services at the phone numbers listed under Section 1. The Member Services Representative will confirm your requested PCP is accepting new patients. In addition, be sure to tell the Member Services Representative if you are seeing a specialist or getting other covered services that needed your PCP's approval (such as home health services and durable medical equipment). Member Services will provide you guidance with the steps to take to coordinate any future specialty care needed, if necessary. However, if you currently have scheduled specialty care appointments or other services, we recommend you sign a release of medical records form at the new PCP's office. This will facilitate the sharing of medical records with your new PCP for future care coordination.

Member Services will change your membership record to show the name of your new PCP, and will tell you when the change to your new PCP will take effect. They will also send you a new membership card that shows the name and phone number of your new PCP.

What if your doctor or provider leaves CarePlus?

Sometimes a PCP, specialist, clinic, or other network provider you are using might leave the plan. If this happens, you will have to switch to another provider who is part of CarePlus. If your PCP leaves CarePlus, we will provide you with written notice of the termination and help you switch to another PCP so that you can continue getting covered services.

Section 3 – Getting care from specialists

When your PCP thinks that you need specialized treatment, he or she will give you a “referral” (approval ahead of time) to see a plan specialist depending on your plan. A **specialist** is a doctor who provides health care services for a specific disease or part of the body. Some examples of specialists are oncologists, who treat cancer; cardiologists, who treat heart conditions; and orthopedists, who treat certain bone, joint, or muscle conditions. For some types of referrals to plan specialists, your PCP may need to get approval ahead of time from CarePlus. This is called “prior authorization”.

It is very important to get a referral from your PCP before you see a plan specialist. However, you don’t need to get a referral for certain services, (see Section 4). **If you do not have a referral before you get services from a specialist, you may have to pay for these services yourself.** If the specialist wants you to come back for follow-up visits, be sure to check the original referral to see if these were included.

Each plan PCP has certain plan specialists they use for referrals, depending on your plan. This means that the CarePlus plan specialist you can use may depend on which person you chose to be your PCP. If there are specific specialists you want to use, find out whether your PCP refers patients to these specialists. You can change your PCP at any time if you want to see a plan specialist that your current PCP does not refer to. If you want to change your PCP, see Section 2. If there are specific hospitals you wish to use, find out whether the doctors you will be seeing use these hospitals.

Mental Health

For mental health or substance abuse services, you or your doctor or counselor should call Member Services for an authorization using the phone numbers listed under Section 1.

Transplant Services

Use of a general service facility for transplant services may result in substantial additional expense to you. For transplant related services, please call 1-866-657-5625. TTY users should call 711. Our hours of operation are Monday through Friday, 8 a.m. to 5 p.m.

Telehealth Services

CareNow, a service from My Home Doctor, provides CarePlus members with telephone or video chat access to physicians and nurse practitioners/physician assistants who can triage, diagnose, treat, and prescribe medication. CareNow is available for all covered services with the exception of behavioral health*. To access CareNow, you can call 1-800-341-5353, 7 days a week from 8 a.m. to 8 p.m. TTY users should call 711. CareNow is for telehealth visits only and is not for members seeking services from a specific provider or network.

*For behavioral health services or to find a specific network provider that offers telehealth services, you can visit our website at <https://www.careplushealthplans.com/physician-finder> to access our online, searchable directory. Network providers that offer covered telehealth services will display a practice focus indicator of “Telehealth.”

Please refer to your evidence of coverage for additional details on what your plan may cover or other rules that may apply.

Section 4 – Self-referrals

There are certain times when you may get certain services without a referral. You will get most of your routine or basic care from your PCP. Your PCP can also coordinate your covered services. If you get services from any doctor, hospital, or other health care provider without getting a referral ahead of time from your PCP, you may have to pay for these services yourself. This also includes if you get these services from a provider in your plan.

In some cases, you can get the services listed below without a referral or approval ahead of time from your PCP. “Self-referred” means you get services on your own. If you get self-referred services, you still have to pay a copayment. However, if you get a self-referred service from a network provider, you will only have to pay the in-network copayment. If you go to an out-of-network provider for these services, you will have to pay more. Please refer to the Evidence of Coverage (EOC) for more detailed information.

The following services may be self-referred:

- Routine woman’s healthcare, which includes breast exams, mammograms (x-rays of the breast), pap tests, and pelvic exams as long as you get them from a network provider.
- Flu shots, Hepatitis B vaccinations (for those at risk) and pneumonia vaccinations from network providers.
- You may self-refer to a network dermatologist.
- You may self-refer to a network specialist for chiropractic and podiatry services.
- Emergency services, whether you get these services from network providers or out-of-network providers, see Section 6. The emergency services including hospital care after you are stable (known as post-stabilization) are also covered.
- Urgently needed care that you get from out-of-network providers when you are temporarily outside the plan’s service area. Also, urgently needed care that you get from out-of-network providers when you are in the service area but, because of unusual or extraordinary circumstances, the network providers are temporarily unavailable or inaccessible. For more information about urgently needed care, see Section 6. For more information about the plan’s service area, see Section 1.
- Renal dialysis (kidney) services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan’s service area. If possible, please let us know, before you leave the service area, where you are going to be so we can help arrange for you to have maintenance dialysis while outside the service area.
- All Medicare-covered preventive services received from network providers. These services are listed in your Evidence of Coverage (EOC). Prior authorization may be required for some preventive services as indicated in the Evidence of Coverage (EOC).

Section 5 – What if you need medical care when your PCP’s office is closed?

What to do if you have a medical emergency or urgent need for care and your PCP’s office is closed

In an emergency, you can get care immediately. You do not have to contact your PCP or get prior authorization in an emergency. You can dial 911 for immediate help by phone, or go directly to the nearest emergency room, hospital, or urgent care center. For more information about emergency or urgent needed care, see Section 6.

What to do if it is not a medical emergency and your PCP’s office is closed

If you need to talk with your PCP or get medical care when the PCP office is closed, and it is **not** a medical emergency, call your PCP’s after-hours service. There will be directions that will allow you to get in contact with your PCP. You can locate your PCP’s telephone number on your member ID card or call Member Services at the number shown in Section 1. If you need TTY access to your Primary Care Provider, call your state relay service at 711. There is always a health professional on call to help you. For more information about what to do if you have an urgent need for care, see Section 6.

Section 6 - Getting care if you have a medical emergency or an urgent need for care

What is a medical emergency?

A situation is a “medical emergency” if **you reasonably believe that your health is in serious danger**. It means that every second counts. Some examples of “medical emergencies” are severe pain, a bad injury, a serious illness, or a medical condition that is getting worse.

What should I do if I have a medical emergency?

If you have a medical emergency:

- Get medical help as quickly as possible. Call 911 for help or go directly to the nearest emergency room, or urgent care center. In any emergency, **you never need to contact any network provider, even your own PCP, for either permission (“authorization”) or a referral.**
- However, as soon as possible, you or someone else should contact your PCP about your emergency. Your PCP needs to know about your emergency because your PCP will provide follow-up care. Please try to contact your PCP about your emergency within 48 hours. Your PCP’s telephone number is on your member ID card or call Member Services at the phone numbers shown in Section 1 if you need your PCP’s telephone number.

Your PCP will help manage and follow-up on your emergency care:

It is important to know that every emergency has two stages.

When the doctors, or hospitals providing emergency care consider your condition stable, the first stage of the medical emergency ends. However, even after your condition is stabilized, you

are still considered in an emergency situation and CarePlus must still pay for the post-stabilization treatment provided by the hospital (whether or not this hospital is a network provider or not). This second stage of the emergency, after your condition is stabilized is called “post-stabilization”.

Generally, the hospital, or doctors, providing emergency care will try to talk to your PCP. This helps the plan to arrange for network providers to take over your care as soon as your condition and circumstances get better. Once your PCP takes over your care or agrees with the attending hospital on an appropriate course of action (or once you are discharged if you are fully recovered), you are no longer in an emergency or post-stabilization situation. Although you are past the emergency and post-stabilization, you may still need follow-up care. However, your plan is responsible for your follow-up care. Your plan will only pay for follow-up care after your emergency and post-stabilization if you follow the plan rules. You will need to use network providers to get authorization, and/or referrals.

What is covered if I have a medical emergency?

- You can get covered emergency medical care whenever you need it, anywhere in the United States. See the pharmacy section of this directory for more information on how we cover outpatient prescription drugs in an emergency situation while you are outside the service area.
- **Ambulance services** are covered in situations where other means of transportation in the United States would endanger your health.

What if it wasn't really a medical emergency?

To have your plan pay for your emergency care, you do not have to be certain that it is an emergency. For example, you might go in for emergency care- thinking that your health is in serious danger-but the doctor may disagree and not consider this a medical emergency. If this happens, you are still covered for the diagnostic treatment and care you received to determine what was wrong, (provided that you thought your health was in serious danger, as explained in the section “What is a medical emergency” above).

However, please note that:

- If you get any extra care after the doctor says it was not a medical emergency, we will pay our portion of the extra covered care **only if you got this care from a network provider**.
- If you get any extra care from an **out-of-network provider** after the doctor says it was not a medical emergency, we will still pay for it as “urgently needed care” even though you got this care “outside your service area”. Please read below how “urgently needed care” is defined.
- However, if you get any extra care from an out-of-network provider that is not an emergency or “urgently needed care”, then you must pay for this care yourself. The plan won't pay for this type of care.

What is “urgently needed care”? (This is different from a medical emergency.)

“Urgently needed care” is a non-emergency situation when you are out of the service area and you need medical attention right away for an unforeseen illness or injury, and it is not reasonable given the situation for you to wait to get medical care from network providers. You can still get urgently needed care even if you knew about your illness or injury ahead of time, but you had an unforeseen complication.

What is the difference between a “medical emergency” and “urgently needed care”?

The difference between emergency and urgently needed care is in the seriousness of the condition.

A **“medical emergency”** is when you believe that your health is in serious danger, when every second counts. You may have a bad injury, sudden illness, or an illness quickly getting much worse.

Urgently needed care is care that you get for a sudden illness or injury that needs medical care right away, but is not life threatening. Your PCP generally provides urgently needed care. If you are out of your plan’s service area for a short time and can’t wait until you return to the service area, CarePlus will pay for urgently needed care.

Getting urgently needed care when you are in the plan’s service area

If you have a sudden illness or injury that is not a medical emergency, and you are in the plan’s service area, please call your PCP or if the office is closed, call your PCP’s after-hours service. There will be directions that will allow you to get in contact with your PCP. If you need TTY access to your Primary Care Provider, call your state relay service at 711. You may go directly to a network immediate care facility without calling your PCP. There will always be a health professional on call to help you. Keep in mind that if you have an urgent need for care while you are in the plan’s service area, you should get this care from network providers. In most cases, we will not pay for urgently needed care that you get from an out-of-network provider while you are in the plan’s service area.

Getting urgently needed care when you are outside the plan’s service area

CarePlus covers urgently needed care that you get from out-of-network providers worldwide when you are outside the plan’s service area. If you need urgent care while you are outside the plan’s service area, you should call your PCP. If you are treated for an urgent care condition while out of the service area, we prefer that you return to the service area to get follow-up care through your PCP. However, we will cover follow-up care that you get from out-of-network providers outside the plan’s service area as long as the care you are getting still meets the “urgently needed care” definition. We also cover renal dialysis (kidney) services that you get when you are outside the plan’s service area.

Sección 1 – Introducción al Directorio de Proveedores

Este directorio proporciona una lista de los proveedores de la red de CarePlus. Este directorio está actualizado a partir de 19 de diciembre de 2023. La red de proveedores puede cambiar en cualquier momento. Usted recibirá una notificación de ser necesario. Es posible que se hayan añadido o eliminado algunos proveedores participantes de nuestra red desde la publicación de este directorio. No garantizamos que cada proveedor esté aceptando todavía a nuevos afiliados. Para obtener acceso al directorio de proveedores de CarePlus, usted puede visitar nuestro sitio web en <https://www.careplushealthplans.com/physician-finder>. Para cualquier pregunta sobre la información contenida en este directorio, por favor llame a Servicios para Afiliados al 1-800-794-5907; TTY: 711. Desde el 1 de octubre hasta el 31 de marzo, atendemos los 7 días de la semana de 8 a.m. a 8 p.m. Desde el 1 de abril hasta el 30 de septiembre, atendemos de lunes a viernes, de 8 a.m. a 8 p.m. Usted también puede dejar un mensaje de voz fuera del horario de atención, sábados, domingos y feriados, y le devolveremos la llamada dentro de un día hábil. El directorio también incluye información básica sobre cómo obtener los servicios cubiertos con CarePlus. Para obtener información detallada sobre sus servicios de cobertura, por favor consulte su Evidencia de Cobertura (EOC, por sus siglas en inglés).

Usted deberá escoger uno de los proveedores de nuestra red incluido en este directorio para que se convierta en su Médico de Atención Primaria (PCP, por sus siglas en inglés). Las siglas PCP se usarán invariablemente en todo este directorio para referirse al Médico de Atención Primaria. Por lo general, usted debe obtener su cobertura de atención médica de su PCP. Los “proveedores de la red” incluidos en este directorio han acordado suministrarle servicios de atención médica. En la mayoría de los casos, CarePlus se hace cargo de su cobertura de atención médica. Usted puede consultar a cualquiera de nuestros proveedores de la red incluidos en este directorio. Sin embargo, es posible que algunos servicios requieran de un referido. El uso de proveedores marcados en este directorio como proveedores con costo compartido preferido con el símbolo numérico (3) puede dar como resultado un costo compartido mas bajo como parte de sus beneficios. Por favor consulte la Evidencia de Cobertura (EOC, por sus siglas en inglés) para obtener información más detallada. Si ha estado recibiendo atención médica de un proveedor de la red, usted no tiene obligación de seguir consultando al mismo proveedor.

Dentro de cada tipo de proveedor, los proveedores de la red están organizados alfabéticamente por especialidad médica. Si tiene preguntas sobre CarePlus, necesita ayuda para seleccionar un PCP o si no tiene una copia impresa del Directorio de Proveedores y usted desea recibir una copia impresa por correo, por favor llame a Servicios para Afiliados a los números telefónicos indicados en la Sección 1. Usted también puede visitar nuestro sitio web en <https://www.careplushealthplans.com/physician-finder> para tener acceso a nuestro directorio de búsqueda en Internet.

¿Qué sucede si recorro a proveedores fuera de la red para obtener los servicios cubiertos?

“Los proveedores fuera de la red” son proveedores que no forman parte de la red de CarePlus.

Usted debe usar los proveedores de la red, excepto en situaciones de emergencia o de atención de urgencia. La atención médica de emergencia siempre puede obtenerse dentro o fuera del área de servicio del proveedor disponible más cercano. Cuando esté en el área de servicio, debe usar los proveedores del plan para recibir atención de urgencia. Cuando esté fuera del área de servicio, la atención de urgencia puede obtenerse del primer proveedor disponible. Además, cuando se encuentre fuera del área de servicio podrá obtener tratamiento de diálisis de cualquier proveedor certificado para proporcionar la diálisis. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni CarePlus se responsabilizarán de los costos.

¿Qué debo hacer si recibo facturas de proveedores fuera de la red que en mi opinión deben ser pagadas por CarePlus?

Cubrimos ciertos servicios para el cuidado de la salud que usted recibe de parte de proveedores fuera de la red. Estos incluyen atención para una emergencia médica, atención que se necesita con urgencia, diálisis renal (riñón) que usted recibe cuando se encuentra fuera del área de servicio del plan, atención que ha sido aprobada por adelantado por CarePlus y cualquier

servicio cuya cobertura se determinó a través de un proceso de apelaciones. Si un proveedor fuera de la red le pide que pague los servicios cubiertos que reciba en estas situaciones, llame a Servicios para Afiliados a los números telefónicos indicados en la Sección 1. También puede enviar una solicitud por escrito a: PO Box 277810 Miramar, FL 33027, Attn: Departamento de Servicios para Afiliados.

Usted nunca debe pagar a un proveedor fuera de la red más de lo que Medicare le permite al plan. El proveedor tiene derecho a recibir sus honorarios, pero no está autorizado a obtenerlo de los afiliados. Solicite al proveedor fuera de la red que primero nos envíe la factura. Si usted ya pagó los servicios cubiertos, le reembolsaremos nuestra parte correspondiente del costo. Si recibe una factura por los servicios, puede enviárnosla para proceder al pago. Nosotros pagaremos nuestra parte de la factura al proveedor fuera de la red, y en todo caso, le informaremos a usted lo que le corresponde pagar.

Recibiendo atención cuando está de viaje o lejos del área de servicio del plan

Si necesita atención médica cuando esté fuera del área de servicio, su servicios de atención médica será muy limitada. Los únicos servicios que cubrimos cuando está fuera del área de servicio son la atención médica de emergencia, incluida la atención de mantenimiento y la atención hospitalaria luego de que su estado de salud esté estable (situación que se conoce como cuidado posterior a la estabilización), la atención médica que se necesita con urgencia, la diálisis renal (riñón artificial), y la atención médica que CarePlus o un proveedor de la red haya autorizado con anticipación. Para más información sobre la atención médica de emergencia y la atención que se necesita con urgencia, consulte la Sección 6. Si tiene dudas relacionadas con la cobertura de un servicio o desea saber cómo surtir un medicamento recetado para pacientes ambulatorios mientras está de viaje, o si se encuentra fuera del área de servicio del plan, llame a Servicios para Afiliados a los números telefónicos indicados en la Sección 1.

¿Puede cambiar la lista de proveedores de la red?

Sí, CarePlus puede añadir o retirar proveedores de la red de nuestro directorio de proveedores. Para obtener la información más actualizada de los proveedores de la red de CarePlus en su área, puede visitar <https://www.careplushealthplans.com/physician-finder> o llame a Servicios para Afiliados a los números telefónicos indicados en la Sección 1.

Sus derechos de acceso y participación en la atención médica

Usted tiene derecho a recibir acceso oportuno a los proveedores de la red y a todos los servicios cubiertos por el plan. Por acceso oportuno nos referimos a que usted puede obtener citas y servicios dentro de un periodo de tiempo razonable. Usted tiene derecho a obtener información completa de sus proveedores cada vez que reciba atención médica. También tiene derecho a participar completamente en las decisiones que se tomen sobre su atención médica, y derecho a rechazar dicha atención.

Sección 2 – Elección del Médico de Atención Primaria (PCP, por sus siglas en inglés)

¿Qué es un “Médico de Atención Primaria”?

Cuando se afilia a CarePlus, usted debe elegir un proveedor de la red para que sea su PCP. Este PCP cumple con los requisitos estatales y está capacitado para proveer atención médica básica. Toda la atención médica básica o de rutina la obtendrá de su Médico de Atención Primaria. Su PCP también puede coordinar el resto de los servicios cubiertos que necesite. En la mayoría de los casos, deberá consultar a su PCP para obtener un referido antes de poder ver a otro proveedor de atención médica.

¿Cómo se selecciona a un PCP?

Usted recibirá un Directorio de Proveedores de CarePlus al momento de su afiliación para que pueda seleccionar el Médico de Atención Primaria que más le convenga. El médico que elija estará impreso en su formulario de afiliación. Usted puede cambiar a su PCP cuando lo desee. Si desea consultar un especialista o ir a un hospital en particular de CarePlus, deberá consultar con su PCP para que el referido correspondiente a dicho especialista u hospital. El nombre y el número telefónico del consultorio de su PCP están impresos en su tarjeta de afiliación.

Cómo recibir atención médica de su PCP

Habitualmente, usted consultará primero a su Médico de Atención Primaria para la mayoría de sus necesidades de atención médica de rutina. Solo hay unos pocos tipos de servicios cubiertos que usted puede obtener por sí mismo, sin necesidad de consultar primero a su PCP. Consulte la Sección 4 para conocer los tipos de servicios cubiertos que puede obtener por su cuenta.

Su PCP también puede ayudarle a organizar o coordinar sus servicios cubiertos. Esto incluye las radiografías, los análisis de laboratorio, las terapias, la atención de médicos especialistas, las admisiones hospitalarias y la atención médica de seguimiento. Su PCP también se pone en contacto con otros proveedores de la red para mantenerse actualizado sobre la atención médica y los tratamientos que usted esté recibiendo. Debe dar su aprobación anticipadamente si usted necesita ciertos tipos de suministros o servicios cubiertos, así como darle un referido para ver a un especialista. En algunos casos, su PCP también necesitará obtener una autorización previa (o aprobación por anticipado). Como el Médico de Atención Primaria proveerá y coordinará su atención médica, usted deberá enviar su expediente médico anterior y demás registros al consultorio de su nuevo PCP. La ley nos exige proteger la privacidad de su expediente médico y su información personal de salud. Si desea más información sobre su privacidad, consulte su Evidencia de Cobertura (EOC, por sus siglas en inglés).

Cómo cambiar de Médico de Atención Primaria

Usted puede cambiar su PCP por cualquier motivo, en cualquier momento. Las solicitudes de cambio recibidas el día **21** del mes generalmente entrarán en vigencia el primer día del mes siguiente. Para cambiar su PCP, por favor llame a Servicios para Afiliados a los números de teléfono que aparecen en la Sección 1. El Representante de Servicios para Afiliados confirmará si el PCP que usted ha solicitado está aceptando nuevos pacientes. Además, asegúrese de informarle al Representante de Servicios para Afiliados si está consultando a un especialista o recibiendo otros servicios cubiertos que requieren la aprobación de su PCP (tales como los

servicios de atención médica en el hogar y el equipo médico duradero). Si es necesario, Servicios para Afiliados le proporcionará una orientación con los pasos a seguir para coordinar cualquier futura atención especializada que necesite. Sin embargo, si actualmente ha programado citas de atención especializada u otros servicios programados, le recomendamos que firme un formulario de divulgación de expedientes médicos en el consultorio del nuevo PCP. Esto facilitará el intercambio de expedientes médicos con su nuevo PCP para la futura coordinación de cuidado.

Servicios para Afiliados modificará su registro de afiliación para que incluya el nombre de su nuevo PCP y le dirá en qué momento entrará en vigencia el cambio. También le enviará una nueva tarjeta de afiliación con el nombre y el número telefónico de su nuevo PCP.

¿Qué pasa si su médico o proveedor deja CarePlus?

En algunos casos sucede que el Médico de Atención Primaria, el especialista, la clínica u otro proveedor de la red que le está atendiendo deja el plan. Si esto llega a pasar, deberá cambiar a otro proveedor que pertenezca a CarePlus. Si su Médico de Atención Primaria deja CarePlus, le notificaremos por escrito de la terminación y le ayudaremos a seleccionar a otro médico para que pueda seguir recibiendo los servicios cubiertos.

Sección 3 – Cómo recibir atención médica de especialistas

De acuerdo con el plan, si el Médico de Atención Primaria considera que usted necesita tratamiento especializado, le dará un “referido” (aprobación por anticipado) para que consulte a un especialista del plan. Un **especialista** es un médico que brinda servicios de atención médica para una enfermedad en particular o afección en alguna parte del cuerpo. Algunos ejemplos de especialistas son los oncólogos, que tratan pacientes con cáncer, los cardiólogos, que tratan enfermedades cardíacas, y los ortopedistas, que tratan ciertas afecciones de huesos, articulaciones y músculos. En algunos tipos de referidos a especialistas del plan, es posible que su PCP deba obtener aprobación por anticipado de CarePlus. A esta aprobación se le conoce también como “autorización previa”.

Es muy importante obtener un referido de su PCP para poder consultar a un especialista del plan. No obstante, no es necesario obtener referidos para ciertos servicios (consulte la Sección 4). **Si no tiene un referido antes de recibir servicios de un especialista, es posible que usted mismo deba pagar por ellos.** Si el especialista le dice que debe regresar varias veces para hacer seguimiento, es importante que consulte el referido original para verificar si se incluyen citas de seguimiento.

Dependiendo del plan, cada Médico de Atención Primaria tiene acceso a ciertos especialistas del plan a quienes recurren para los referidos. Esto significa que el especialista del plan CarePlus que usted puede consultar depende de la persona que seleccione como su PCP. Si hay algún especialista específico que desee consultar, infórmese si su PCP recomienda pacientes a dicho especialista. Usted puede cambiar de Médico de Atención Primaria en cualquier momento si

desea consultar a un especialista del plan al cual no pueda recomendarle su médico actual. Si desea cambiar de PCP, consulte la Sección 2. Si hay algún hospital en particular que desee usar, infórmese si los médicos que piensa consultar usan los servicios de dicho hospital.

Salud mental

Para los servicios de salud mental o abuso de sustancias, usted o su médico o asesor deben llamar a Servicios de Atención al Afiliado para obtener una autorización mediante los números de teléfono que están en la Sección 1.

Servicios de Trasplante

El uso de un centro de servicios generales para servicios de trasplante puede resultar en un costo adicional significativo para usted. Para los servicios relacionados con los trasplantes, llame al 1-866-657-5625. Los usuarios de TTY deben llamar al 711. Nuestro horario de atención es de lunes a viernes, de 8 a.m. a 5 p.m.

Servicios de telemedicina

CareNow, un servicio de My Home Doctor, proporciona a los afiliados de CarePlus acceso por teléfono o videoconferencia a médicos y enfermeros certificados/asistentes médicos que pueden evaluar, diagnosticar, indicar tratamiento y recetar medicamentos. CareNow está disponible para todos los servicios cubiertos con la excepción de servicios de salud conductual*. Para acceder a CareNow, usted puede llamar al 1-800-341-5353 los 7 días de la semana, de 8 a.m. a 8 p.m. Los usuarios de TTY deben llamar al 711. CareNow es solo para consultas de telemedicina y no para afiliados que requieren servicios de un proveedor o red específicos.

*Para servicios de salud conductual o para encontrar a un proveedor de la red específico que ofrezca servicios de telemedicina, usted puede visitar nuestro sitio web en <https://www.careplushealthplans.com/physician-finder> para tener acceso a nuestro directorio de búsqueda por Internet. Los proveedores de la red que ofrecen servicios de telemedicina cubiertos mostrarán el indicador de modalidad de ejercicio profesional “telemedicina”.

Consulte su evidencia de cobertura para obtener detalles adicionales sobre lo que su plan puede cubrir u otras reglas que puedan aplicarse.

Sección 4 – Referidos por parte del afiliado

Hay ocasiones en las que es posible obtener ciertos servicios sin necesidad de un referido. La mayor parte de la atención médica básica o de rutina la obtendrá de su Médico de Atención Primaria, quien también coordinará sus servicios cubiertos. Si recibe servicios de cualquier médico, hospital o proveedor de atención de la salud sin obtener un referido por anticipado de su PCP, es posible que tenga que pagar dichos servicios. Se incluye también los servicios ofrecidos por un proveedor de su plan. En algunos casos, es posible obtener los servicios que se mencionan abajo sin necesidad de referido o aprobación por anticipado de su Médico de

Atención Primaria. Este tipo de referidos hechos por usted mismo, como afiliado, significa que usted obtiene los servicios por su cuenta.

Si obtiene este tipo de servicios por su cuenta, aún deberá pagar el copago correspondiente. Sin embargo, si un proveedor de la red le ofrece un servicio de este tipo que no requiere referido, usted solo deberá pagar el copago correspondiente para proveedores de la red. Si recibe estos servicios de un proveedor fuera de la red, deberá pagar una cantidad mayor. Por favor consulte la Evidencia de Cobertura (EOC, por sus siglas en inglés) para obtener información más detallada.

Los siguientes servicios pueden ser referidos por parte del afiliado:

- Atención médica de rutina para la mujer, que incluye exámenes de los senos, mamografías (radiografías del seno), pruebas de Papanicolaou y exámenes pélvicos, siempre y cuando los obtenga de un proveedor de la red.
- Vacunas contra la influenza, contra la Hepatitis B (para quienes se encuentran en riesgo) y contra la neumonía administradas por proveedores de la red.
- Puede consultar a un dermatólogo de la red sin necesidad de referido.
- Puede consultar a un especialista de la red para recibir servicios de quiropráctica y podiatría cubiertos por Medicare sin necesidad de un referido.
- Servicios de emergencia, sin importar que dichos servicios sean ofrecidos por proveedores de la red o fuera de ella (consulte la Sección 6 para obtener más información). También tienen cobertura los servicios de emergencia que incluyen atención hospitalaria luego de que su estado de salud esté estable (lo que se conoce como cuidado posterior a la estabilización).
- Atención que se necesita con urgencia que reciba de proveedores fuera de la red cuando se encuentre temporalmente fuera del área de servicio del plan. Asimismo, la atención que se necesita con urgencia que reciba de proveedores fuera de la red en caso de estar en el área de servicio, pero solamente si los proveedores de la red, por circunstancias extraordinarias o fuera de lo normal, están temporalmente no disponibles o inaccesibles. Para más información sobre la atención que se necesita con urgencia, consulte la Sección 6. Si desea saber más sobre el área de servicio del plan, consulte la Sección 1.
- Servicios de diálisis renal (riñón artificial) que reciba en un centro de diálisis certificado de Medicare cuando se encuentre temporalmente fuera del área de servicio del plan. En lo posible, comuníquese con nosotros para hacernos saber que saldrá del área de servicio e informarnos el lugar donde se encontrará; así podremos hacer los preparativos necesarios para que reciba la diálisis de mantenimiento mientras esté fuera del área de servicio.
- Todos los servicios preventivos cubiertos por Medicare recibidos de proveedores de la red. Estos servicios se especifican en su Evidencia de Cobertura (EOC, por sus siglas en inglés). Puede ser necesaria una autorización previa para algunos servicios preventivos, como se indica en la Evidencia de Cobertura (EOC, por sus siglas en inglés).

Sección 5 – ¿Qué sucede si necesita atención médica cuando el consultorio de su Médico de Atención Primaria está cerrado?

Qué hacer si tiene una emergencia médica o necesita atención médica de urgencia y el consultorio de su Médico de Atención Primaria está cerrado

En caso de emergencia, puede recibir atención médica de inmediato. Usted no tiene que comunicarse con su PCP ni obtener autorización previa en caso de emergencia. Puede llamar al 911 para obtener ayuda inmediata por teléfono, o ir directamente a la sala de emergencias, hospital o centro de atención médica de urgencia más cercano. Para más información sobre la atención médica de emergencia o que se necesita con urgencia, consulte la Sección 6.

Qué hacer si no se trata de una emergencia médica y el consultorio de su Médico de Atención Primaria está cerrado

Si necesita consultar a su Médico de Atención Primaria u obtener atención médica cuando su consultorio esté cerrado y **no** se trata de una emergencia médica, comuníquese con el servicio fuera del horario de atención de su médico. Allí recibirá instrucciones que le indicarán cómo ponerse en contacto con su PCP. Puede localizar el número telefónico de su PCP en su tarjeta de identificación, o también puede llamar a Servicios para Afiliados al número que aparece en la Sección 1. Si usa un dispositivo TTY y necesita ponerse en contacto con su Médico de Atención Primaria, comuníquese con el Centro de Enlace de su estado marcando al 711. Siempre habrá un profesional de la atención médica disponible para ayudarle. Consulte la Sección 6 para obtener más información sobre lo que debe hacer si llega a necesitar atención médica de urgencia.

Sección 6 – Cómo obtener atención médica en caso de emergencia o si requiere atención de urgencia

¿Qué es una emergencia médica?

Una “emergencia médica” surge cuando **usted razonablemente considera que su salud está en grave peligro**. Es una situación crítica donde cada segundo cuenta. Algunos ejemplos de emergencias médicas son la aparición de dolor muy fuerte, una lesión grave, una enfermedad grave o un problema de salud que empeora rápidamente.

¿Qué debo hacer si tengo una emergencia médica?

Si tiene una emergencia médica:

- Busque ayuda médica tan pronto como le sea posible. Llame al 911 para solicitar asistencia o vaya directamente a la sala de emergencias del hospital o centro de atención médica de urgencia más cercano. En situaciones de emergencia **nunca habrá necesidad de comunicarse con ningún proveedor de la red, ni tampoco con su propio Médico de Atención Primaria, para pedir permiso (“autorización”) o un referido**.
- No obstante, usted o alguien más deberá comunicarse con el Médico de Atención Primaria tan pronto como sea posible para informarle sobre la emergencia. Su médico debe estar enterado de lo sucedido porque deberá proporcionar la atención médica de

seguimiento. Trate en lo posible de comunicarse con él en un lapso de 48 horas para informarle de la emergencia. El número telefónico de su PCP está impreso en su tarjeta de identificación. Igualmente puede llamar a Servicios para Afiliados a los números telefónicos indicados en la Sección 1 para solicitar el número telefónico de su médico.

Su Médico de Atención Primaria le ayudará a coordinar y llevar el control de la atención médica de emergencia que esté recibiendo.

Es importante saber que cada caso de emergencia tiene dos etapas.

La primera etapa inicia cuando surge la emergencia médica y termina cuando los médicos u hospitales que proporcionan la atención médica de emergencia deciden que su estado de salud es estable. No obstante, incluso después de estabilizar su estado de salud, aún se considera que usted está en una situación de emergencia y CarePlus debe seguir cubriendo el tratamiento posterior a la estabilización que suministre el hospital, sin importar si dicho hospital es proveedor de la red o no. Esta segunda etapa de la emergencia médica, que corresponde a la estabilización de su problema de salud, también recibe el nombre de “cuidado posterior a la estabilización”.

Generalmente, los hospitales o médicos que ofrecen la atención médica de emergencia tratarán de hablar con su PCP. Esto ayudará a que el plan pueda organizar a los proveedores de la red que se encargarán de su atención médica tan pronto como su estado de salud y las circunstancias mejoren. Una vez que su Médico de Atención Primaria se haga cargo de su atención médica o esté de acuerdo con el hospital sobre el curso apropiado de tratamiento (o cuando le den el alta si se ha recuperado por completo), usted ya no estará en una situación de emergencia ni de cuidado posterior a la estabilización. Aunque ya haya superado la emergencia y el periodo de cuidado posterior a la estabilización, es posible que todavía necesite atención médica de seguimiento. Sin embargo, su plan es responsable de su atención médica de seguimiento. Su plan solo pagará la atención médica de seguimiento después de una emergencia médica y del cuidado posterior a la estabilización si usted sigue las normas del plan. Deberá recurrir a los proveedores de la red para obtener las autorizaciones y/o referidos que sean necesarios.

¿Qué está cubierto si tengo una emergencia médica?

- Usted puede recibir atención médica de emergencia cubierta en cualquier momento que lo necesite y en cualquier parte de Estados Unidos. Consulte la sección sobre farmacias de este directorio para obtener más información sobre la manera como damos cobertura a los medicamentos recetados para pacientes ambulatorios en un caso de emergencia mientras se encuentra fuera del área de servicio.
- Los **servicios de ambulancia** están cubiertos en situaciones donde otros medios de transporte en Estados Unidos puedan poner en riesgo su salud.

¿Qué sucede si no se trataba realmente de una emergencia médica?

Para que su plan cubra una emergencia médica, usted no necesita saber con certeza que se trata realmente de una emergencia. Por ejemplo, es posible que usted vaya a una sala de emergencias pensando que su salud corre grave peligro pero que el médico no esté de acuerdo y considere que no se trata de una emergencia médica. Si esto llega a suceder, usted seguirá teniendo cobertura por el diagnóstico, el tratamiento y la atención médica recibida para determinar cuál era el problema, siempre y cuando usted haya considerado que su salud corría grave peligro, como se explica en la sección anterior “¿Qué es una emergencia médica?”

Sin embargo, tenga en cuenta lo siguiente:

- Si obtiene atención médica adicional después de que el médico haya determinado que no se trataba de una emergencia médica, nosotros pagaremos nuestra parte de la atención adicional cubierta **solamente si la recibe de un proveedor de la red.**
- Si obtiene atención médica adicional de un **proveedor fuera de la red** después de que el médico determine que no se trata de una emergencia médica, nosotros aún daremos cobertura a los servicios como “atención que se necesita con urgencia” aunque usted los haya recibido “fuera de su área de servicio”. Lea la sección que sigue para saber cómo se define la “atención que se necesita con urgencia”.
- No obstante, si obtiene atención médica adicional de un proveedor fuera de la red y no se trata de una emergencia médica ni de “atención que se necesita con urgencia”, usted deberá pagar los servicios ofrecidos. El plan no cubrirá este tipo de atención médica recibida.

¿Qué es la “atención médica que se necesita con urgencia”? (Esta situación es diferente de la emergencia médica.)

La “atención médica que se necesita con urgencia” es una situación que no es de emergencia y que se presenta cuando usted está fuera del área de servicio y necesita atención médica de inmediato debido a enfermedad o lesión imprevista, y no es razonable, dada la situación, esperar a recibir la atención médica de los proveedores de la red. Usted aún puede recibir atención que se necesita con urgencia incluso si sabía con antelación sobre su enfermedad o lesión pero se presenta una complicación imprevista.

¿Qué diferencia hay entre “emergencia médica” y “atención médica que se necesita con urgencia”?

La diferencia entre emergencia médica y atención médica que se necesita con urgencia tiene que ver con la gravedad de la situación.

Una “**emergencia médica**” surge cuando usted considera que su salud corre grave peligro, cuando cada segundo cuenta. Puede tener una lesión grave, una afección que aparece súbitamente o una enfermedad que empeora rápidamente. La **atención que se necesita con urgencia** consiste en la atención médica que recibe debido a la aparición súbita de una lesión o enfermedad que requiere ser tratada de inmediato pero que no amenaza la vida. Por lo general, su Médico de Atención Primaria proporciona la atención que se necesita con urgencia. Si está

fuera del área de servicio del plan por corto tiempo y no puede esperar hasta su regreso a dicha área, CarePlus cubrirá la atención de urgencia que reciba.

Cómo recibir atención médica que se necesita con urgencia cuando se encuentra en el área de servicio de la red

Si tiene una enfermedad o lesión repentina, no se trata de una emergencia médica y está dentro del área de servicio del plan, comuníquese con su Médico de Atención Primaria. Si su consultorio está cerrado, comuníquese con el servicio fuera del horario de atención de su PCP. Allí recibirá instrucciones que le indicarán cómo ponerse en contacto con su PCP. Si usa un dispositivo TTY y necesita ponerse en contacto con su Médico de Atención Primaria, comuníquese con el Centro de Enlace de su estado marcando el 711. También puede ir directamente a un centro de atención médica inmediata de la red sin llamar a su PCP. Siempre habrá un profesional de la salud disponible para ayudarlo. Tenga presente que si necesita atención médica con urgencia mientras está en el área de servicio del plan, deberá obtener dicha atención de proveedores de la red. En la mayoría de casos no pagaremos la “atención médica de urgencia” que obtenga de un proveedor fuera de la red si se encuentra dentro del área de servicio del plan.

Cómo recibir atención médica que se necesita con urgencia cuando se encuentra fuera del área de servicio del plan

CarePlus cubre la atención que se necesita con urgencia que reciba de proveedores fuera de la red en cualquier parte del mundo cuando se encuentre fuera del área de servicio del plan. Si necesita atención médica de urgencia cuando esté fuera del área de servicio del plan, deberá comunicarse con su Médico de Atención Primaria. Si recibe tratamiento por una condición médica que requiera atención de urgencia mientras esté fuera del área de servicio, preferiríamos que regrese al área de servicio para que reciba la atención médica de seguimiento de su PCP. No obstante, cubriremos la atención médica de seguimiento que reciba de proveedores fuera de la red mientras esté fuera del área de servicio del plan siempre y cuando la atención que esté recibiendo siga estando acorde con la definición de “atención médica que se necesita con urgencia”. También cubriremos los servicios de diálisis (riñón artificial) que reciba cuando se encuentre fuera del área de servicio del plan.

Introduction to the Pharmacy Information

This booklet provides a list of CarePlus' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and CarePlus Health Plans, Inc.'s Formulary. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. The pharmacy information in this directory is current as of December 19, 2023. The pharmacy network may change at any time. You will receive notice when necessary. For the most current list, please contact Member Services at 1-800-794-5907; TTY: 711. From October 1 - March 31, we are open 7 days a week; 8 a.m. to 8 p.m. From April 1 - September 30, we are open Monday - Friday, 8 a.m. to 8 p.m. You may always leave a voice mail message after-hours, Saturdays, Sundays, and holidays and we will return your call within one business day.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under CarePlus, only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription, but can switch to any other of our network pharmacies. We will fill prescriptions at out-of-network pharmacies under certain circumstances as described in your Evidence of Coverage.

How do I find a CarePlus' network pharmacy in my area?

Network pharmacies are listed alphabetically in this book, providing the location address, phone and TTY numbers. For retail chain pharmacies, with multiple locations, a toll-free phone number and TTY numbers is listed. You may call directly and inquire regarding the nearest location to you or contact Member Services at the phone numbers listed above.

How do I fill a prescription at a network pharmacy?

You should always present your Member ID card at the pharmacy so the pharmacy can gather the information needed to automatic submit your claim online. If you don't have your Member ID Card with you when you fill your prescription, ask the pharmacy to contact Member Services at the phone numbers listed above to get the necessary information. If you do not present your ID card at the pharmacy, or the network pharmacy cannot automatic submit your claim online for some other reason, you may have to pay the full cost of the prescription (rather than paying just your copayment). If this happens, you can ask us to reimburse you for our share of the cost if you submit a Prescription Drug Claim form or a written request. To submit a paper claim for a prescription reimbursement, please refer to section "How do I submit a paper claim?" later in this document, or contact Member Services at the phone numbers listed above.

What if a pharmacy is no longer a “network pharmacy”?

Sometimes a pharmacy might leave the plan’s network. If this happens, you will have to get your prescriptions filled at another plan network pharmacy. Please refer to the listing of network pharmacies in this directory, or call Member Services, at the phone numbers listed above, to find another network pharmacy in your area.

How do I fill a prescription through CarePlus’ mail-order pharmacy service?

You can get prescription drugs shipped to your home through our network mail-order pharmacy CenterWell Pharmacy™*. This is a preferred cost-sharing pharmacy. You may save on cost-sharing at this pharmacy. Typically, you should expect to receive your prescription drugs within 7 to 10 business days from the day that the mail-order pharmacy receives the order. To refill your mail order prescriptions, please contact CenterWell Pharmacy at least 14 business days before you believe the prescription drugs you have on hand will run out to make sure your next order is shipped to you in time. To get order forms and information about filling your prescriptions by mail, or if you do not receive your prescriptions drug(s) within the estimated time mentioned above, please call CenterWell Pharmacy at 1-800-526-1490. TTY users should call 711. Hours of operation are Monday through Friday from 8 a.m. to 6 p.m. Please note that prescription drugs that you get through out-of-network mail-order pharmacies are not covered. For more information, please contact CarePlus Member Services at 1-800-794-5907; TTY: 711. From October 1 - March 31, we are open 7 days a week; 8 a.m. to 8 p.m. From April 1 - September 30, we are open Monday - Friday, 8 a.m. to 8 p.m. You may always leave a voice mail message after-hours, Saturdays, Sundays, and holidays and we will return your call within one business day.

If you have previously used CenterWell Pharmacy mail order services with your current plan, or if you opt-in to receive automatic deliveries, the pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt-out of automatic deliveries of new prescriptions at any time by contacting CenterWell Pharmacy at the phone numbers listed above. If you have never used mail order delivery and/or decide to stop automatic fills of new prescriptions, CenterWell Pharmacy will contact you each time the pharmacy gets a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you the opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

*Other Pharmacies are available in our network.

How can I get an extended supply of drugs?

You can use the CarePlus’ mail-order service to fill prescriptions for what we call maintenance drugs. These are drugs that you take on a regular basis, for a chronic or long-term medical condition. You must order at least a 30-day supply, and no more than a 90-day supply of the drug.

You are not required to use the mail-order prescription drug services to obtain an extended supply of maintenance drugs. Some retail pharmacies in our network allow you to get an extended supply of maintenance drugs.

In the pharmacy network listing provided in this directory, we have marked the retail pharmacies in our network that offer extended supplies of maintenance drugs with the following symbol **(4)**. For additional information, please see your Evidence of Coverage, or call Member Services at 1-800-794-5907; TTY: 711. From October 1 - March 31, we are open 7 days a week; 8 a.m. to 8 p.m. From April 1 - September 30, we are open Monday - Friday, 8 a.m. to 8 p.m. You may always leave a voice mail message after-hours, Saturdays, Sundays, and holidays and we will return your call within one business day.

CarePlus' Preferred Cost-Sharing Mail-Order Pharmacies vs. Standard Cost-Sharing Mail-Order Pharmacies:

Preferred cost-sharing mail-order pharmacies in our network have a negotiated cost-sharing for some of your covered drugs that is lower than that of a standard cost-sharing mail-order pharmacy. You can go to all the pharmacies listed in this directory, but your costs for some drugs may be less at pharmacies listed in this directory that offer preferred cost-sharing. We have marked these pharmacies with the following symbol **(3)** to distinguish them from other pharmacies in our network that offer standard cost-sharing.

CarePlus' Network Pharmacies Offering Electronic Prescribing (e-prescribing):

Electronic prescribing or e-prescribing allows health care professionals to electronically transmit both new prescriptions and responses to renewal requests to a pharmacy without having to write or fax a prescription. In the pharmacy network listing provided in this directory, we have marked with the following symbol **(2)**, those pharmacies in our network that support e-prescribing.

Are home infusion pharmacies part of CarePlus' pharmacy network?

CarePlus will cover home infusion therapy if:

- Your prescription drug is on our formulary or you have a formulary exception;
- CarePlus has approved your prescription drug for home infusion therapy, and
- Your prescription is written by an authorized prescriber.

To get additional information on home infusion services, please contact Member Services at the phone numbers listed in the previous page.

Are long-term care pharmacies part of CarePlus' pharmacy network?

Residents of a long-term care facility may access their prescription drug covered under CarePlus through the facility's long-term care pharmacy or another network long-term care pharmacy. To get additional information on long-term care pharmacy services, please contact Member Services at the phone numbers listed in the previous page.

How do you fill prescriptions at an out-of-network pharmacy (i.e. outside the network)?

We have network pharmacies outside of the service area where you can get your drugs covered as a member of our Plan. Generally, we only cover drugs filled at an out-of-network pharmacy in limited, non-routine circumstances when a network pharmacy is not available. Below are some

circumstances when we would cover prescriptions filled at an out-of-network pharmacy. **Before you fill your prescription in these situations, call Member Services to see if there is a network pharmacy in your area where you can fill your prescription.** If you do go to an out-of-network pharmacy for the reasons listed below, you may have to pay the full cost (rather than paying just coinsurance or copayment) when you fill your prescription. You may ask us to reimburse you for our share of the cost by submitting a Prescription Drug Claim form or a written request. To learn how to submit a paper claim, please refer to the paper claims process described in the section called “How do I submit a paper claim?” If we do pay for the drugs you get at an out-of-network pharmacy, you may still pay more for your drugs than what you would have paid if you had gone to an in-network pharmacy.

- **What if I need a prescription because of a medical emergency or because I needed urgent care?**

We will cover prescriptions that are filled at an out-of-network pharmacy within the United States and its territories, if the prescriptions are related to care for a medical emergency or urgently needed care. In this situation, you will have to pay the full cost (rather than paying just your copayment or coinsurance) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a paper claim form. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. To learn how to submit a paper claim, please refer to the section “How do I submit a paper claim?” later in this document.

- **What if I need coverage while I am traveling away from the plan’s service area?**

If you take a prescription drug on a regular basis and you are going on a trip, be sure to check your supply of the drug before you leave. When possible, take along all the medication you will need. You may be able to order your prescription drugs ahead of time through our preferred cost-sharing mail-order pharmacy or through a retail network pharmacy that offers an extended supply. For some drugs or situations, certain limitations and restrictions may apply. If you are traveling outside of your plan’s service area but within the United States and territories and become ill, or run out of your prescription drugs, call Member Services to find a network pharmacy in the area where you can fill your prescription. If a network pharmacy is not available, we will cover prescriptions that are filled at an out-of-network pharmacy if you follow all other coverage rules identified within this document. In this situation, you will have to pay the full cost (rather than paying just your copayment or coinsurance) when you fill your prescription. You may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. You can ask us to reimburse you for our share of the cost by submitting a paper claim form. To learn how to submit a paper claim, please refer to the paper claims process described below.

Please recognize; however, that multiple non-emergency occurrences of out-of-network pharmacy claims will result in claim denials.

In addition, we cannot pay for any lost or stolen medications or prescriptions that are filled by pharmacies outside the United States and territories, even for a medical emergency.

Other times you can get your prescription covered if you go to an out-of-network pharmacy:

We will cover your prescription at an out-of-network pharmacy if at least one of the following applies:

- You can't get a covered drug that you need immediately because there are no open in-network pharmacies within a reasonable driving distance.
- Your prescription is for a specialty drug in-network pharmacies don't usually keep in stock.
- If you get a covered prescription drug from an institutional based pharmacy while a patient in an emergency room, provider based clinic, outpatient surgery clinic, or other outpatient setting.
- You were eligible for Medicaid at the time you got the prescription, even if you weren't enrolled yet. This is called retroactive enrollment period.
- You're evacuated from your home because of a state, federal, or public health emergency and don't have access to an in-network pharmacy.

Are there any limitations to drugs received from an out-of-network pharmacy?

Out-of-network pharmacy coverage is intended for emergency or other extenuating circumstances as described above for a short-term basis only. Therefore, prescriptions filled outside the pharmacy network are limited to a 30-day supply.

How do I submit a paper claim?

When you go to a network pharmacy your claim is automatically submitted to us online by the pharmacy. However, if you go to an out-of-network pharmacy because of one of the reasons listed above, the pharmacy may not be able to submit the claim directly to us and you will have to pay the full cost of your prescription. Please simply submit your claim by completing the Prescription Drug Claim Form or a written request and your receipt(s), along with a copy of the pharmacy label, to the following address:

CarePlus Health Plans, Inc.
ATTN: Member Services department
PO Box 277810, Miramar, FL 33027

Please keep a copy of the receipts for your records.

If you submit a paper claim to us, the claim is treated as a request for a Coverage Determination. If you are asking us to reimburse you for a prescription drug that is subject to coverage requirements or limits, your doctor may need to submit additional documentation supporting your request. Please refer to your Evidence of Coverage or call Member Services phone numbers stated in this directory for more information about requesting a Coverage Determination.

Where do I find the Prescription Drug Claim Form?

The Prescription Drug Claim Form can be found on our website at <https://www.careplushealthplans.com/members/forms-tools-resources>. It can also be obtained by calling Member Services at the number listed in the following page.

Transition Policy:

New members in our plan may be taking drugs that are subject to certain restrictions, such as prior authorization, quantity limits, or step therapy. Members should talk to their doctors to decide if they should switch to an appropriate drug that we cover or request a formulary exception (which is a type of Coverage Determination) in order to get coverage for the drug. See your Evidence of Coverage to learn more about how to request an exception. While these new members might talk to their doctors to determine the right course of action, we may cover a 30 day supply of the restricted drug in certain cases during the first 90 days of new membership.

How does your enrollment in this Plan affect coverage for the drugs covered under Medicare Part A and Part B?

We cover drugs under Medicare Parts A and B, as well as Part D. The Part D coverage we offer doesn't affect Medicare coverage for drugs that would normally be covered under Medicare Part A or Part B. Depending on where you may receive your drugs, for example in the doctor's office versus from a network pharmacy, there may be a difference in your cost-sharing for those drugs. You may contact our Plan about different costs associated with drugs available in different settings and situations.

Introducción a la Información sobre Farmacias

Este manual proporciona una lista de las farmacias de la red de CarePlus. Si desea conocer la descripción completa sobre la cobertura de medicamentos recetados y qué hacer para que le surtan sus medicamentos recetados, consulte la Evidencia de Cobertura y el Formulario de CarePlus Health Plans, Inc. Es posible que este directorio no incluya todas las farmacias dentro de la red. Igualmente puede que se hayan añadido o eliminado farmacias de la lista desde la publicación de este directorio. Esto significa que las farmacias incluidas aquí podrían ya no estar en nuestra red, o que haya nuevas farmacias en nuestra red que no estén incluidas. La información de farmacias en este directorio fue actualizada el 19 de diciembre de 2023. La red de farmacias puede cambiar en cualquier momento. Usted recibirá una notificación de ser necesario. Para obtener la lista más actualizada, por favor comuníquese con Servicios para Afiliados al 1-800-794-5907; TTY: 711. Desde el 1 de octubre hasta el 31 de marzo, atendemos los 7 días de la semana de 8 a.m. a 8 p.m. Desde el 1 de abril hasta el 30 de septiembre, atendemos de lunes a viernes, de 8 a.m. a 8 p.m. Usted también puede dejar un mensaje de voz fuera del horario de atención, sábados, domingos y feriados, y le devolveremos la llamada dentro de un día hábil.

Hemos nombrado a las farmacias en esta lista “farmacias de la red” por las negociaciones hechas con ellas para que suministren medicamentos recetados a los afiliados al Plan. En la mayoría de los casos, sus medicamentos recetados están cubiertos por CarePlus únicamente si han sido surtidos por una farmacia de la red o a través de nuestro servicio de farmacia de pedido por correo. Una vez que vaya a una farmacia, usted no está obligado a seguir yendo a esa misma farmacia para que le surtan su medicamento recetado, pero se puede cambiar a cualquier otra de nuestras farmacias de la red. Nosotros surtiremos los medicamentos recetados en farmacias fuera de la red bajo ciertas circunstancias, como se describe en su Evidencia de Cobertura.

¿Cómo puede encontrar una farmacia de la red de CarePlus en su área?

Las farmacias de la red están ordenadas alfabéticamente en este documento, proporcionando la dirección y el número de teléfono y TTY. En el caso de farmacias de venta al por menor pertenecientes a una cadena y cuyas ubicaciones son variadas, se proporcionará un número telefónico gratuito y un número TTY. Puede llamar directamente y pedir que le informen sobre el lugar más cercano a usted, o llame a Servicios para Afiliados a los números telefónicos indicados arriba.

¿Cómo surto un medicamento recetado en una farmacia de la red?

Usted siempre debe presentar su tarjeta de identificación de afiliado en la farmacia para que esta pueda recopilar la información necesaria para presentar su reclamación por internet de forma automática. Si no tiene su tarjeta de identificación de afiliado con usted cuando surta la receta, pídale a la farmacia que se comuníque con Servicios para Afiliados llamando a los números telefónicos indicados anteriormente para obtener la información necesaria. Si no presenta su tarjeta de identificación en la farmacia o la farmacia de la red no puede presentar su reclamación por internet de forma automática por algún motivo, tal vez deba pagar el costo total de la receta (en lugar de pagar solo el copago). Si esto sucede, puede pedirnos el reembolso de nuestra parte

del costo presentando un Formulario de Reclamación de Medicamentos Recetados o una solicitud por escrito. Para presentar una reclamación en papel por un medicamento recetado, consulte la sección “¿Cómo presento una reclamación por escrito?” que se encuentra más adelante en este documento, o comuníquese con Servicios para Afiliados llamando a los números telefónicos indicados anteriormente.

¿Qué sucede cuando una farmacia deja de pertenecer a la red?

En ocasiones, una farmacia puede retirarse de la red del plan. Si esto sucede, usted deberá adquirir sus medicamentos recetados en otra farmacia de la red del plan. Para encontrar otra farmacia de la red en su área, consulte la lista de farmacias de la red que se incluye en este directorio, o llame a Servicios para Afiliados a los números telefónicos indicados anteriormente.

¿Qué debe hacer para surtir un medicamento recetado en la farmacia con servicio de pedido por correo de CarePlus?

Puede obtener medicamentos recetados y solicitar que se los envíen a su hogar a través de CenterWell Pharmacy™*, que es la farmacia con servicio de pedido por correo de nuestra red. Esta es una farmacia de costo compartido preferido. Usted puede ahorrar en el costo compartido en esta farmacia. Por lo general, los medicamentos recetados le llegarán en un lapso de 7 a 10 días hábiles a partir del día en el que la farmacia con servicio de pedido por correo reciba el pedido. Para volver a surtir su medicamento recetado de pedido por correo, comuníquese con CenterWell Pharmacy por lo menos 14 días hábiles antes de la fecha en que usted cree que se le terminará su medicamento recetado, para así asegurar que su próximo pedido le llegue a tiempo. Para obtener hojas de pedido e información sobre cómo surtir medicamentos recetados por correo, o si no recibe sus medicamentos recetados dentro del tiempo estimado que se menciona arriba, comuníquese con CenterWell Pharmacy llamando al 1-800-526-1490. Los usuarios de TTY deben llamar al 711. El horario de atención es de lunes a viernes de 8 a.m. a 6 p.m. Tenga presente que los medicamentos recetados que reciba en farmacias con servicio de pedido por correo fuera de la red no tienen cobertura. Para más información, por favor llame a Servicios para Afiliados de CarePlus al 1-800-794-5907; TTY: 711. Desde el 1 de octubre hasta el 31 de marzo, atendemos los 7 días de la semana de 8 a.m. a 8 p.m. Desde el 1 de abril hasta el 30 de septiembre, atendemos de lunes a viernes de 8 a.m. a 8 p.m. Usted también puede dejar un mensaje de voz fuera del horario de atención, sábados, domingos y feriados, y le devolveremos la llamada dentro de un día hábil.

Si con anterioridad ha usado los servicios de pedido por correo de CenterWell Pharmacy con su plan actual, o si desea usarlos, la farmacia surtirá automáticamente las recetas nuevas que reciba directamente de sus médicos u otras personas autorizadas a dar recetas y enviará los medicamentos con receta. Puede desinscribirse de los envíos automáticos de nuevas recetas en cualquier momento, comunicándose con CenterWell Pharmacy a los números telefónicos indicados anteriormente. Si usted nunca ha utilizado el servicio de entrega de pedido por correo o si decide interrumpir el surtido automático de nuevas recetas, CenterWell Pharmacy se contactará con usted cada vez que la farmacia reciba una nueva receta de un proveedor para verificar si desea que le surtan y envíen el medicamento en ese momento. Esto le dará la

oportunidad de asegurarse de que se le suministre el medicamento correcto (concentración, cantidad y presentación) y, si fuera necesario, le permitirá cancelar o retrasar el pedido antes de que se le facture y se le envíe.

*Otras Farmacias están disponibles en nuestra red.

¿Cómo puedo obtener un suministro extendido de medicamentos?

Usted puede usar el servicio de farmacia de pedido por correo de la red de CarePlus para que le surtan cualquier medicamento que nosotros denominemos como medicamento de mantenimiento. Estos son medicamentos que usted toma periódicamente para afecciones crónicas o tratamientos a largo plazo. Usted debe ordenar un suministro de 30 días como mínimo y no superior a 90 días.

No es necesario que use los servicios de pedido por correo de medicamentos recetados para obtener un suministro extendido de medicamentos de mantenimiento. Algunas farmacias de venta al por menor en nuestra red le permite obtener un suministro extendido de medicamentos de mantenimiento.

En la lista de la red de farmacias que se proporciona en este directorio, hemos marcado con el símbolo **(4)** las farmacias de venta al por menor de nuestra red que ofrecen suministros extendidos de medicamentos de mantenimiento. Para obtener más información, por favor consulte su Evidencia de Cobertura o llame a Servicios para Afiliados al 1-800-794-5907; TTY: 711. Farmacias de pedido por correo con costo compartido preferido de CarePlus vs. Farmacias de pedido por correo con costo compartido estándar:

Las farmacias de pedido por correo con costo compartido preferido son farmacias de nuestra red en las que el plan ha negociado para sus medicamentos cubiertos un costo compartido inferior en comparación con las farmacias de pedido por correo con costo compartido estándar. Puede ir a todas las farmacias enumeradas en este directorio, pero los costos de algunos medicamentos pueden ser inferiores en esta lista de farmacias que ofrecen costo compartido preferido. Hemos marcado estas farmacias con el siguiente símbolo **(3)** para distinguirlas de otras farmacias de nuestra red que ofrecen costo compartido estándar.

Farmacias de la red de CarePlus que ofrecen servicio de recetas por vía electrónica (recetas electrónicas):

El servicio de recetas por vía electrónica permite a los profesionales de la atención de la salud transmitir electrónicamente recetas nuevas y respuestas a peticiones de renovación a una farmacia sin tener que escribir una receta o enviarla por fax. En la lista de farmacias de la red que

se proporciona en este directorio, hemos marcado con el símbolo **(2)** las farmacias de nuestra red que tienen el servicio de recetas electrónicas.

¿Las farmacias que ofrecen servicio de terapia de infusión en el hogar forman parte de la red de farmacias de CarePlus?

CarePlus cubrirá la terapia de infusión en el hogar si:

- Su medicamento recetado está en nuestro formulario o si usted tiene una excepción en el formulario;
- CarePlus ha aprobado su medicamento recetado para la terapia de infusión en el hogar, y
- Su medicamento ha sido recetado por un médico certificado.

Si desea información adicional sobre los servicios de terapia de infusión en el hogar, llame a Servicios para Afiliados a los números telefónicos indicados arriba.

¿Las farmacias de atención a largo plazo forman parte de la red de farmacias de CarePlus?

Los residentes en establecimientos de atención médica prolongada pueden adquirir sus medicamentos recetados cubiertos por CarePlus en la farmacia de atención a largo plazo de dicho establecimiento o en otra farmacia de atención a largo plazo de la red. Si desea información adicional sobre los servicios de farmacia de atención a largo plazo, llame a Servicios para Afiliados a los números telefónicos indicados anteriormente.

¿Cómo se surtan los medicamentos recetados en una farmacia fuera de la red?

Nosotros contamos con farmacias de la red fuera del área de servicio. En ellas puede adquirir sus medicamentos cubiertos como afiliado a nuestro plan. Usualmente solo cubrimos los medicamentos surtidos en farmacias fuera de la red en circunstancias limitadas y no habituales, como cuando no hay farmacias de la red disponibles. A continuación se muestran algunos casos en los que cubriríamos los medicamentos surtidos en farmacias fuera de la red. **Antes de surtir su medicamento recetado en cualquiera de estas situaciones, comuníquese con Servicios para Afiliados para verificar si hay una farmacia dentro de la red en su área que pueda surtirle su medicamento.** Si va a una farmacia fuera de la red por alguna de las razones mencionadas abajo, es posible que tenga que pagar el precio total (en lugar de pagar únicamente el coaseguro o el copago correspondiente) cuando pida que le surtan su medicamento recetado. Luego puede solicitar que le reembolsemos nuestra parte del costo enviando un Formulario de Reclamación de Medicamentos Recetados o reclamación por escrito a nuestras oficinas. Para saber cómo presentar una reclamación por escrito, consulte el proceso de reclamaciones por escrito que se describe en la sección titulada “¿Cómo presento una reclamación por escrito?”. Si nosotros pagamos los medicamentos que obtenga en una farmacia fuera de la red, es posible que a pesar de todo usted deba desembolsar más que lo que habría pagado si hubiese ido a una farmacia de la red.

- **¿Qué sucede si requiero un medicamento recetado debido a una emergencia médica o porque necesité atención médica de urgencia?**

Nosotros cubriremos los medicamentos recetados que se hayan surtido en una farmacia fuera de la red dentro de Estados Unidos y sus territorios, si dichos medicamentos están relacionados con una emergencia médica o una situación que requiere atención médica de urgencia. En estos casos, usted tendrá que pagar el precio total (en lugar de pagar solamente el copago o coaseguro correspondiente) cuando pida que le surtan el medicamento recetado. Luego puede solicitar que le reembolsemos nuestra parte del costo enviando un formulario de reclamación por escrito a nuestras oficinas. Si va a una farmacia fuera de la red, usted tendrá que pagar la diferencia entre lo que pagaría por el medicamento recetado surtido en una farmacia de la red y lo que la farmacia fuera de la red le haya cobrado por dicho medicamento. Para saber cómo presentar una reclamación por escrito, por favor consulte la sección “¿Cómo presento una reclamación por escrito?” que se encuentra más adelante en este documento.

- **¿Qué sucede si necesito cobertura mientras estoy de viaje y me encuentro lejos del área de servicio del plan?**

Si toma un medicamento recetado de manera habitual y va a salir de viaje, asegúrese de revisar el suministro del medicamento antes de partir. En lo posible, lleve consigo el suministro completo del medicamento que necesite. Es posible que pueda ordenar sus medicamentos recetados con anticipación a través de una farmacia de costo compartido preferido de pedido por correo o en una farmacia de venta al por menor de la red que ofrezca suministros extendidos. Pueden aplicarse restricciones y limitaciones en ciertos medicamentos o en algunas situaciones. Si está viajando dentro de Estados Unidos y sus territorios, pero fuera del área de servicio del Plan, y se enferma, o se le acaban sus medicamentos recetados, comuníquese con Servicios para Afiliados para localizar una farmacia de la red en el área donde pueda surtir su receta. Si no hay farmacias de la red disponibles, daremos cobertura a los medicamentos recetados que se surtan en una farmacia fuera de la red si usted sigue todas las demás reglas de cobertura indicadas en este documento. En estos casos, usted tendrá que pagar el precio total (en lugar de pagar solamente el copago o coaseguro correspondiente) cuando pida que le surtan el medicamento recetado. Es posible que tenga que pagar la diferencia entre lo que pagaría por el medicamento recetado surtido en una farmacia de la red y lo que la farmacia fuera de la red le haya cobrado por dicho medicamento. Luego puede solicitar que le reembolsemos nuestra parte del costo enviando un formulario de reclamación por escrito a nuestras oficinas. Para saber cómo presentar una reclamación por escrito, consulte el proceso para reclamaciones por escrito que se describe más adelante.

No obstante, le recordamos que los sucesos múltiples que no correspondan a casos de emergencia de reclamaciones en farmacias fuera de la red darán como resultado la denegación de dichas reclamaciones.

Asimismo, nosotros no podemos reembolsar el pago de medicamentos o recetas que se hayan perdido o que hayan sido robados, o que se hayan surtido en farmacias fuera de Estados Unidos y sus territorios, incluso en casos de emergencia médica.

Otras situaciones en las que puede obtener su medicamento recetado cubierto si va a una farmacia fuera de la red:

Nosotros cubriremos su medicamento recetado en una farmacia fuera de la red si se presenta cuando menos una de las siguientes condiciones:

- Usted no puede obtener un medicamento cubierto de manera oportuna debido a que no hay farmacias de la red con servicio las 24 horas a una distancia razonable en automóvil.
- Su receta es para un medicamento de especialidad que las farmacias dentro de la red generalmente no tienen en existencia.
- Si usted obtiene un medicamento recetado cubierto de una farmacia institucional mientras es paciente en una sala de emergencia, clínica del proveedor, clínica de cirugía ambulatoria u otro tipo de centro ambulatorios.
- Usted era elegible para Medicaid en el momento en que recibió el medicamento recetado, incluso si todavía no estaba inscrito. Esto se conoce como período de inscripción retroactiva.
- Usted fue evacuado de su hogar debido a una emergencia estatal, federal o de salud pública y no tiene acceso a una farmacia dentro de la red.

¿Existen limitaciones en los medicamentos recibidos de farmacias fuera de la red?

La cobertura con farmacias fuera de la red está prevista para casos de emergencia u otras circunstancias atenuantes como las que se describen arriba y solamente para periodos breves. Por esta razón, los medicamentos recetados surtidos fuera de la red de farmacias se limitan a un suministro de 30 días.

¿Cómo presento una reclamación por escrito?

Cuando vaya a una farmacia de la red, la farmacia automáticamente nos envía su reclamo por internet. Por otra parte, si va a una farmacia fuera de la red debido a alguna de las razones mencionadas arriba, dicha farmacia no nos podrá enviar la reclamación directamente y usted tendrá que pagar el precio total del medicamento recetado. Simplemente envíe su reclamación llenando el Formulario de Reclamación de Medicamentos Recetados o una solicitud por escrito y la factura o facturas, junto con una copia de la etiqueta, a la siguiente dirección:

CarePlus Health Plans, Inc.
ATTN: Member Services department
PO Box 277810, Miramar, FL 33027

Conserve una copia de estos recibos en su archivo personal.

Si nos envía su reclamación por escrito, se la tratará como una solicitud de Determinación de Cobertura. Si nos solicita el reembolso de un medicamento recetado que esté sujeto a limitaciones o requisitos de cobertura, su médico probablemente deberá enviar documentación adicional para respaldar su solicitud. Consulte su Evidencia de Cobertura o comuníquese con Servicios para Afiliados llamando a los teléfonos indicados en este directorio para obtener más información sobre cómo solicitar una Determinación de Cobertura.

¿Dónde puedo encontrar el Formulario de Reclamación de Medicamentos Recetados?

El Formulario de Reclamación de Medicamentos Recetados se puede encontrar en nuestro sitio web en <https://www.careplushealthplans.com/members/forms-tools-resources>. También se puede obtener llamando a Servicios para Afiliados al número telefónico indicado en la próxima página.

Política de Transición:

Puede suceder que los nuevos afiliados a nuestro plan estén tomando medicamentos que están sujetos a ciertas restricciones, como la autorización previa, límites de cantidad o el tratamiento por pasos. Los afiliados deben consultar a sus médicos para decidir si deben cambiar a un medicamento apropiado que esté cubierto por nosotros o solicitar una excepción en la lista de medicamentos cubiertos (que es un tipo de Determinación de Cobertura) para obtener la cobertura del medicamento. Consulte su Evidencia de Cobertura para obtener más información sobre cómo solicitar una excepción. Mientras estos nuevos afiliados deciden consultar a sus médicos para determinar cuál es la mejor estrategia, es posible que en algunos casos demos cobertura a un suministro de 30 días del medicamento restringido durante los primeros 90 días de la nueva afiliación.

¿De qué manera su afiliación a este Plan afecta la cobertura de los medicamentos cubiertos por la Parte A y la Parte B de Medicare?

Nosotros damos cobertura a los medicamentos de las Partes A y B de Medicare, así como la Parte D. La cobertura de la Parte D que ofrecemos no afecta la cobertura de Medicare de medicamentos que normalmente estarían cubiertos por la Parte A o la Parte B de Medicare. Dependiendo del lugar donde reciba sus medicamentos, como en el consultorio del médico o en una farmacia de la red, puede haber una diferencia en su costo compartido por dichos medicamentos. Puede comunicarse con nuestro Plan para solicitar información sobre los diferentes costos asociados con los medicamentos disponibles en diferentes establecimientos y situaciones.

Many dentists have more than one office. However, not all of the offices may be in CarePlus' network. If you don't see an office address in this directory, the dentist may not be in network at that location. If you have questions about who is in our network, call your dentist or contact the CarePlus Member Services department for assistance by calling the phone number located on the back of your Member Identification (ID) card. Limitations, copayments, and restrictions may apply. Contact the plan for more information or review your Evidence of Coverage for more detailed information.

NOTA IMPORTANTE: CarePlus no es un proveedor de servicios dentales. CarePlus no respalda ni regula el criterio clínico ni las recomendaciones de tratamiento hechas por los médicos u otros proveedores incluidos en el directorio o seleccionados por usted.

Muchos dentistas tienen más de una oficina. Sin embargo, no todas las oficinas pueden estar en la red de CarePlus. Si no ve la dirección de un consultorio en este directorio, es posible que el dentista no esté en la red en esa ubicación. Si tiene preguntas, sobre quién está en nuestra red, llame a su dentista o comuníquese con el departamento de Servicios para Afiliados de CarePlus para obtener ayuda llamando al número de teléfono que se encuentra en el reverso de su tarjeta de identificación de miembro (ID). Se pueden aplicar limitaciones, copagos y restricciones. Póngase en contacto con el plan para obtener más información o consulte su Evidencia de Cobertura para obtener información más detallada.

Many providers have more than one office. However, not all of the offices may be in CarePlus' network. Each Primary Care Provider (PCP) has certain plan specialists they use for referrals. This means that the PCP you select may determine the specialists you may see. You may change your PCP at any time, if you want to see a plan specialist that your current PCP can't refer you to.

Cada Médico de Atención Primaria (PCP, por sus siglas en inglés) cuenta con ciertos especialistas del plan que utilizan para referidos. Esto significa que el PCP que usted eligió puede determinar los especialistas que usted puede consultar. Usted puede cambiar de PCP en cualquier momento, si desea consultar a un especialista del plan al cual no pueda referirle su Médico de Atención Primaria actual.

Cada Médico de Atención Primaria (PCP, por sus siglas en inglés) cuenta con ciertos especialistas del plan que utilizan para referidos. Esto significa que el PCP que usted eligió puede determinar los especialistas que usted puede consultar. Usted puede cambiar de PCP en cualquier momento, si desea consultar a un especialista del plan al cual no pueda referirle su Médico de Atención Primaria actual.

IMPORTANT NOTE: CarePlus is not a provider of dental services. CarePlus does not endorse or control the clinical judgment or treatment recommendations made by the physicians or other providers listed in the directory or otherwise selected by you.

Many dentists have more than one office. However, not all of the offices may be in CarePlus' network. If you don't see an office address in this directory, the dentist may not be in network at that location. If you have questions about who is in our network, call your dentist or contact the CarePlus Member Services department for assistance by calling the phone number located on the back of your Member Identification (ID) card. Limitations, copayments, and restrictions may apply. Contact the plan for more information or review your Evidence of Coverage for more detailed information.

NOTA IMPORTANTE: CarePlus no es un proveedor de servicios dentales. CarePlus no respalda ni regula el criterio clínico ni las recomendaciones de tratamiento hechas por los médicos u otros proveedores incluidos en el directorio o seleccionados por usted.

Muchos dentistas tienen más de una oficina. Sin embargo, no todas las oficinas pueden estar en la red de CarePlus. Si no ve la dirección de un consultorio en este directorio, es posible que el dentista no esté en la red en esa ubicación. Si tiene preguntas, sobre quién está en nuestra red, llame a su dentista o comuníquese con el departamento de Servicios para Afiliados de CarePlus para obtener ayuda llamando al número de teléfono que se encuentra en el reverso de su tarjeta de identificación de miembro (ID). Se pueden aplicar limitaciones, copagos y restricciones. Póngase en contacto con el plan para obtener más información o consulte su Evidencia de Cobertura para obtener información más detallada.

IMPORTANT NOTE: CarePlus is not a provider of dental services. CarePlus does not endorse or control the clinical judgment or treatment recommendations made by the physicians or other providers listed in the directory or otherwise selected by you.

Many dentists have more than one office. However, not all of the offices may be in CarePlus' network. If you don't see an office address in this directory, the dentist may not be in network at that location. If you have questions about who is in our network, call your dentist or contact the CarePlus Member Services department for assistance by calling the phone number located on the back of your Member Identification (ID) card. Limitations, copayments, and restrictions may apply. Contact the plan for more information or review your Evidence of Coverage for more detailed information.

NOTA IMPORTANTE: CarePlus no es un proveedor de servicios dentales. CarePlus no respalda ni regula el criterio clínico ni las recomendaciones de tratamiento hechas por los médicos u otros proveedores incluidos en el directorio o seleccionados por usted.

Muchos dentistas tienen más de una oficina. Sin embargo, no todas las oficinas pueden estar en la red de CarePlus. Si no ve la dirección de un consultorio en este directorio, es posible que el dentista no esté en la red en esa ubicación. Si tiene preguntas, sobre quién está en nuestra red, llame a su dentista o comuníquese con el departamento de Servicios para Afiliados de CarePlus para obtener ayuda llamando al número de teléfono que se encuentra en el reverso de su tarjeta de identificación de miembro (ID). Se pueden aplicar limitaciones, copagos y restricciones. Póngase en contacto con el plan para obtener más información o consulte su Evidencia de Cobertura para obtener información más detallada.
