## HumanaBeginnings Care Management Program

### Provider Reference Guide

Our HumanaBeginnings™ care management program provides your patients with a team of support nurses who have extensive backgrounds in maternal health. Your patients can connect with our nurses throughout their pregnancy for support and education. Our HumanaBeginnings program offers:

- Referrals to community-based programs and resources
- Resources for substance abuse or mental health concerns
- Support for your treatment plans for high-risk patients

**See full program details →**

Do you have a new Humana patient who is pregnant? Please complete the **Notification of Pregnancy form** and fax or email it to HumanaBeginnings using the contact information on the form.
