Florida Medicaid: **COVID-19 State of Emergency: Ending Provisional Provider Enrollment**

The Agency for Health Care Administration (Agency) allowed provisional enrollment for in-state and out-of-state providers to address potential workforce shortages in the State through the issuance of PT 2020-15 on March 18, 2020. The availability of provisional enrollment ends on July 1, 2021, prohibiting providers from enrolling through that provisional enrollment process effective July 1, 2021.

Providers currently enrolled through the provisional enrollment process have through **December 31, 2021** to enroll in Medicaid. Providers who do not complete the enrollment process by that date will be terminated from Florida Medicaid.
