

Feel good about choosing a Humana Dental plan

- No waiting periods
- No claims to file
- No annual maximums

Good health starts with a healthy mouth

Make dental visits a priority

One of the first lines of defense in overall health is dental care. Regular dental cleanings can help manage problems throughout the body, such as heart disease, diabetes, and stroke. The Humana Dental Prepaid plan enables you to take better care of your teeth, and you'll pay less for your dental care doing so.

Tips to ensure a healthy mouth

- Use a soft-bristled toothbrush and floss daily
- · Choose toothpaste with fluoride
- Brush for at least two minutes twice a day
- Watch for signs of periodontal disease such as red, swollen, or tender gums
- Visit a dentist regularly for exams and cleanings.
