Newborn Enrollment

Dear Medicaid provider,

Humana Healthy Horizons® in Ohio begins coverage of newborns on the date of birth when the newborn's mother is a member of Humana Healthy Horizons. Although a prior authorization for the delivery is not required, the Medicaid Notification of Birth Form is necessary. The delivery hospital is required to complete and send this form ([Humana Healthy Horizons in Ohio Medicaid Notification of Birth](https://apps.humana.com/marketing/documents.asp?file=5019248)) (<https://apps.humana.com/marketing/documents.asp?file=5019248>) to our Utilization Management department within 24 business hours of delivery. Instructions for submission appear on the form. Once a newborn is enrolled, you can verify eligibility for the newborn on the provider portal at [Availity.com](https://www.availity.com/) (<https://www.availity.com/>).

If you have any questions, call **877-856-5707**, Monday – Friday, 7 a.m. – 8 p.m., Eastern time.

Thank you for the continued care of your Humana Healthy Horizons in Ohio-covered patients.
