

Network Notification – Humana Healthy Horizons in Louisiana

Notice date: February 24, 2023
To: Humana Healthy Horizons® in Louisiana Provider Network
From: Humana Healthy Horizons in Louisiana
Subject: Federally Qualified Health Center and Rural Health Clinic Claims Payment Issue

Due to how we set up some provider records, Federally Qualified Health Center (FQHC) and Rural Health Clinic (RHC) payments may not always align with fee schedule reimbursement rates, if the provider practices in more than one office. All incorrectly processed claims will be reprocessed by March 22, 2023. Providers will not have to take any action in order for us to reprocess affected claims. A long-term fix is in development.
